The Self-Full Life Peg Abernathy,2005-05 A traumatic medical emergency and subsequent near death experience combine to

transform the life of author Peg Abernathy in *The Self Full Life A True Story That Will Help Your Soul Remember These* and other spiritually moving moments are weaved into a powerful personal odyssey of life death and rebirth I found myself alone and I lay there as my body was being ravaged I remember staring at the clock on the wall 11 45 P M 11 46 P M 11 47 P M Where was everybody Help me I whispered All of a sudden the thought of death passed through my body and I began to hear a low hum and then a soft roaring sound I heard bells go off and I rolled over and grabbed the bars on the side of the hospital bed My eyes were wide open but I could no longer see All I could hear was the escalating roaring sound and distant voices And I knew I was dying I stopped fighting I was going home *The 6 Marks of Progressive Christian Worship Music* Bryan J. Sirchio, 2012-08-30 Something about the lyrics of many of the hit contemporary Christian worship songs is at best problematic for many clergy persons in mainline denominations Sometimes the songs are downright offensive theologically to the pastor Often the problem is rooted in a theological nuance or doctrine that the pastor does not embrace Sometimes these contemporary worship songs use too many Christian buzz words or clichés or phrases that the pastor deliberately avoids in every other aspect of the liturgy Often the problem is that the new songs show no sensitivity at all to things like inclusive language or the theological challenges of doctrines like penal substitutionary atonement Sometimes the pastors feel that most of these new songs lack substance that they're too sugary too individualistic and too other worldly Sometimes there's an emotional tone to this contemporary worship music that might work well in another kind of church but which just doesn't feel authentic in a traditional or mainline congregation Now I would imagine that at least some of you began to glaze over a bit as you attempted to read those last few paragraphs Or maybe you didn't fully understand some of the terms I just used If so don't worry that's why I wrote this book If you have no idea what things like penal substitutionary atonement or inclusive language are about this book will help you understand what these terms mean and why it's important to your pastors for you to know your way around these issues and concepts a bit as you seek new songs to bring into the worship life of your congregation And I promise I'll do my best to use down to earth language that you'll be able to easily understand without a seminary education **My Heart for His Glory** Thomas Nelson, 2023-12-19 Nothing changes a person's heart attitudes and life more dramatically and profoundly than offering one's heart to God in praise and worship Inspired by the greatest contemporary and classic songs of worship *My Heart for His Glory* helps draw God's people into His presence with devotions for every day of the year The stories promises and insights from songs like *Change My Heart Oh God* *My God Reigns* *Shout to the Lord* and *Holy Ground* provide a perfect starting point to help us offer our hearts for His glory **Cassette From My Ex** Jason Bitner, 2009-10-27 An art form combining the skills of a DJ with the intimacy of a letter a good mixtape was the ultimate audio valentine Today when the iPod and playlists reign supreme the cassette has been rendered obsolete and the art of crafting these sonic calling cards has been relegated to back of the closet thirty something nostalgia Now thanks to Jason Bitner we can relive our lost youth and lost loves In *Cassette from My Ex* sixty noted writers and musicians wax poetic about their own

experiences with these charming artifacts and the relationships that inspired them Contributors include Maxim editor Joe Levy Author Rick Moody Former Rolling Stone writer and MTV2 veejay Jancee Dunn The Magnetic Fields Claudia Gonson Stories range from the irreverently sweet such as the doomed love affair between a Deadhead and a Goth to the touching such as the heartbreaking discovery of a former love passing away Everyone will find a story or a song to relate to Just hit play

Essentials of Pentecostal Theology Tony Richie, 2020-01-20 Only a few decades past academia tended to scoff at the very idea of serious Pentecostal theology Today profound and variegated theological implications of this dynamic movement are the object of exploration and development across the entire spectrum of the Christian theological corpus Arguably an acute need has arisen for identification and evaluation of the Pentecostal movement's original and ongoing theological essentials What is Pentecostal theology really all about anyway This volume realizes that Pentecostal theology is at its heart a working theology undergirding and energizing believers' worship of God in prayer and praise in holy living and in witness to a personal experience of the risen Lord and Savior manifested in the continuing power of the Holy Spirit Authentic implementation if not explicit articulation of fervent Pentecostal theology often occurs in the vitality of local churches house fellowships and various mission settings in America and around the world Birthed in the fires of revival movements essential Pentecostalism including Pentecostal theology continues to burn brightest wherever it is fueled most directly
