Spy Games Lesbian Romance Spy English Edition:

Medusa's Touch Emily L. Byrne, 2018-05-23 Medusa Pilot Captain TiCara X273 ex street kid and former bonds slave thought she wanted nothing more than to be captain of her own starship Or at least that was all that she thought she wanted until Sherin Khan came back into her life A bar singer turned corporate rep Sherin is now working for Ser Trin Vahn one of TiCara s best clients and head of Vahn Corp Once they are thrown together on TiCara s ship TiCara and Sherin can no longer deny their simmering attraction to each other A simple mission to transport the ailing Vahn to the legendary asteroid Electra 12 for medical treatments turns dark and dangerous as betrayal leads to betrayal TiCara s greatest enemy is pursuing them there s a traitor on her crew and Sherin has a secret that can tear them apart Can they learn to trust each other before it s too late

A Game of Deceit and Desire Ruby Roe, Can love survive when trust is the rarest magic of all Bella Blythe master of lattice magic is determined to win the Runic Games If only her greatest rival Remy Reid would get out of the way For years they one upped each other in competitions jobs and their apprenticeships Until a single kiss changed everything With the biggest competition of their lives ahead of them they re going to have to trust each other A futile task when they re both harbouring secrets filled with betrayal With a reputation and a relationship at risk they re left with an impossible choice Do they want to win a competition or a heart Two women two betrayals and a romance that will rewrite their destiny This is a steamy lesbian fantasy romance with rivals to lovers forbidden romance only one bed found family forced proximity tons of spice 18 readers only This is the final book in the Girl Games trilogy

Lesbians in Print Margaret Gillon, 1995 **Los Angeles Magazine**, 2003-03 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian

Out in Central Pennsylvania William Burton, 2020-06-22 Outside of major metropolitan areas the fight for lesbian gay bisexual and transgender rights has had its own unique and rich history one that is quite different from the national narrative set in New York and California Out in Central Pennsylvania highlights one facet of this lesser known but equally important story immersing readers in the LGBTQ community building and social networking that has taken place in the small cities and towns in the heart of Pennsylvania from the 1960s to the present day Drawing from oral histories and the archives of the LGBT Center of Central PA History Project this book recounts the innovative ways that LGBTQ central Pennsylvanians organized to demand civil rights and to improve their quality of life in a region that often rejected them Full of compelling stories of individuals seeking community and grappling with inequity harassment and discrimination and featuring a distinctive trove of historical photographs Out in Central Pennsylvania is a local story with national implications It brings

rural and small town queer life out into the open and explores how LGBTQ identity and social advocacy networks can form outside of a large urban environment **Bad** Murray Pomerance, 2004-01-01 Examines the many forms of cinematic badness over the past one hundred years from *Nosferatu* to *The Talented Mr Ripley* **How to Hook a Husband** Sarah Harvey, 2016-07-28 Sophie Kinsella meets *My Best Friend's Wedding* and *Bridesmaids* Treat yourself this summer You know you want to BE CAREFUL WHAT YOU WISH FOR When Belle returns home from backpacking and catches her best friend's groom to be with another girl the wedding is cancelled Heartbroken but not defeated ex bride to be Nicky realises Belle has a talent for spotting eligible men She puts her friend to work helping other women and soon Belle is hanging out in bars and hiding in bushes on the hunt for unsuspecting Casanovas and the two friends are having a ball When she is hired to follow the elusive Eddie Farrar everything changes Belle soon finds herself falling under his spell Will she be able to resist his charms is he all he appears to be or is there more to him than meets the eye Sharp laugh out loud funny and full of surprises You ll love the international bestseller HOW TO HOOK A HUSBAND **Sexual Politics, Sexual Communities** John D'Emilio, 2012-04-26 With thorough documentation of the oppression of homosexuals and biographical sketches of the lesbian and gay heroes who helped the contemporary gay culture to emerge *Sexual Politics Sexual Communities* supplies the definitive analysis of the homophile movement in the U S from 1940 to 1970 John D Emilio's new preface and afterword examine the conditions that shaped the book and the growth of gay and lesbian historical literature How many students of American political culture know that during the McCarthy era more people lost their jobs for being alleged homosexuals than for being Communists These facts are part of the heretofore obscure history of homosexuality in America a history that John D Emilio thoroughly documents in this important book George DeStefano Nation John D Emilio provides homosexual political struggles with something that every movement requires a sympathetic history rendered in a dispassionate voice New York Times Book Review A milestone in the history of the American gay movement Rudy Kikel Boston Globe *Male Homosexuality in Children's Literature, 1867-1918* Eric L. Tribunella, 2023-07-20 In his 1908 cultural and historical study of homosexuality titled *The Intersexes A History of Similosexualism as a Problem in Social Life* Edward Iren us Prime Stevenson includes a section on homosexual juvenile fiction perhaps the first attempt to identify a body of children's literature about male homosexuality in English Known for pioneering the explicitly gay American novel for adults Stevenson was also one of the first thinkers to take seriously the possibility and value of homosexual children whom he called young Uranians This book takes as its starting point Stevenson's catalog of homosexual boy books around the turn of the century and offers a critical examination of these works along with others by gay writers who wrote for children from the mid nineteenth century through the end of World War I Stevenson's list includes Eduard Bertz Howard Sturgis Horace Vachell and Stevenson himself to which Horatio Alger John Gambril Nicholson and E F Benson are added Read alongside major developments in English and German language sexology these boy books can be understood as participating in the construction and dissemination of the

discourse of sexuality and as constituting the figure of the young Uranian as central to modern gay identity Over the Rainbow Michelle Ann Abate, Kenneth B. Kidd, 2011 Significant essays on LGBTQ topics in children's literature Forever Evelyn Kennedy, 1995 Sister Diana Collett's dream has always been to serve her church in Kenya. Now her time has come; she has her chance to achieve that dream by qualifying as a nurse practitioner. For her training, she has been assigned to Dr. Victoria Torrie Lassiter, a dedicated, gifted physician-teacher who will act as her preceptor. Into this situation comes only one problem: Diana and Torrie fall deeply in love. The cost of their love seems impossibly high: Diana must give up her vocation. All her dreams of Kenya. Perhaps even her family. For Catholic nun Diana has been her parents' pride and joy, especially since Diana's brother chose not to seek the priesthood. Torrie also has a great deal to lose. Her parents cannot countenance her relationship with Diana. And Torrie has one other difficulty so enormous that it will become the overriding challenge to a love so powerful they both believe will last forever. Publisher's description Strange Love Robin Truth Goodman, Kenneth J. Saltman, 2002 Seeks to answer the question of how varied cultural forms in this case curricula, multicultural literature, and popular films educate the public ideologically. Interrogates the relationship between the political economy of globalization and the new human rights imperialism and the cultural politics that educate the public into complicity with it through such narratives as family war, politics, privatization, and innocence. Introduction Destruction, Ethics, and Intergalactic Love Peter Admirand, 2022-12-30 Destruction, Ethics, and Intergalactic Love: Exploring Y: The Last Man and Saga offers a creative and accessible exploration of the two comic book series examining themes like nonviolence, issues of gender, and war, heroes and moral failures, forgiveness, and seeking justice, and the importance of diversity and religious pluralism. Through close interdisciplinary reading and personal narratives, the author delves into the complex worlds of Y and Saga in search of an ethics, meaning, and a path resonant with real-world struggles. Reading these works side by side, the analysis draws parallels and seeks common themes around the four central ideas of seeking and making meaning in a meaningless world, love and parenting through oppression and grief, peacefulness when surrounded by violence, and the perils and hopes of diversity and communion. This timely and thoughtful study will resonate with scholars and students of comic studies, media and cultural studies, philosophy, theology, literature, psychology, and popular culture studies. **The Shell Game** Kim Adrian, 2018-04-01 Within the recent explosion of creative nonfiction, a new type of form is quietly emerging: what Brenda Miller calls hermit crab essays. *The Shell Game* is an anthology of these intriguing essays that borrow their structures from ordinary, everyday sources: a recipe, a crossword puzzle, a *Craig's List* ad. Like their zoological namesake, these essays do not simply wear their borrowed shells but inhabit them so perfectly that the borrowed structures are wholly integral rather than contrived, both shaping the work and illuminating and exemplifying its subject. *The Shell Game* contains a carefully chosen selection of beautifully written, thought-provoking hybrid essays tackling a broad range of subjects, including the secrets of the human genome, the intractable pain of growing up Black in America, and the gorgeous glow residing at the edges of the autism

spectrum Surprising delightful and lyric these essays are destined to become classics of this new and increasingly popular hybrid form

Encyclopedia of Television Subjects, Themes and Settings Vincent Terrace, 2024-10-17 Over the course of 80 years television has produced countless programs many of which fit a particular profile Did you know for example some programs are devoted to ghosts genies angels and even mermaids Color broadcasting was first tested in 1941 Live models were used to advertise lingerie as early as 1950 Or that nudity although accidental occurred on TV long before cable was even thought possible These are just a few of the many facts and firsts that can be found within the 145 entries included Appropriate for fans and scholars and bursting with obscure facts this work traces the evolution of specific topics from 1925 through the 2005 2006 season Entries include such diverse themes as adolescence adult film actresses on TV bars espionage gays immigrants lawyers transsexuals and truckers as well as locations like Canada Hawaii New York and Los Angeles Each entry is arranged as a timeline clearly displaying how television s treatment of the subject has changed through the years Each entry is as complete as possible and contains series pilot special and experimental program information Whether just a fan of television and eager to know more about the medium or a scholar seeking hard to find facts and information this book traces the history of specific topics from television s infancy to its changes in the early twenty first century Paxton Court

Diane Salvatore, 1996 **Poet Lore Plays. Ser. 2. Forgiveness**, 1913 **Poet Lore**, 1913 *Forgiveness* Jules Lemaître, 1913 *Poet Lore Plays*, 1913
