Square Dance Saga English Edition:

Yoshitaka Amano: The Illustrated Biography-Beyond the Fantasy Florent Gorges, Luc Petronille, 2018-12-11 A beautiful celebration of the life and imagery of Japan's master of fantasy and science fiction art. This handsome landscape style hardback contains nearly 400 illustrations and photos from the incredible career of Final Fantasy designer Yoshitaka Amano. But *Beyond the Fantasy* covers far more than just the famous game series. Amano's artistic journey goes back to his first job in 1967, age 15, working on *Speed Racer*. From animator to illustrator to internationally exhibited painter, this biography is a look not only into the work of Amano's life but the influences, techniques, philosophy, and family that have nurtured it. [A Bibliography of Canadian Folklore in English](#) Edith Fowke, Carole Henderson-Carpenter, 1982-12-15 This book is the only comprehensive bibliography of Canadian folklore in English. The 3877 different items are arranged by genres: folktales, folk music, and dance; folk speech and naming; superstitions; popular beliefs; folk medicine; and the supernatural; folk life and customs; folk art and material culture; and within genres by ethnic groups: Anglophone and Celtic, Francophone, Indian, and Inuit, and other cultural groups. The items include reference books, periodicals, articles, records, films, biographies of scholars and informants, and graduate theses. Each item is annotated through a coding that indicates whether it is academic or popular, its importance to the scholar, and whether it is suitable for young people. The introduction includes a brief survey of Canadian folklore studies, putting this work into academic and social perspective. The book covers all the important items and most minor items dealing with Canadian folklore published in English up to the end of 1979. It is concerned with legitimate Canadian folklore, whether transplanted from other countries and preserved here or created here to reflect the culture of this country. It distinguishes between authentic folklore presented as collected and popular treatments in which the material has been rewritten by the authors. Intended primarily for scholars of folklore internationally as well as Canadian, the book will also be of use to scholars in anthropology, cultural geography, oral history, and other branches of Canadian culture studies as well as to librarians, teachers, and the general public. *Catalog of Copyright Entries* Library of Congress. Copyright Office, 1978

The Girls of the Golden West James Ward Lee, 2017-09-15 *The Girls of the Golden West* tells the tale of ninety-five-year-old John Quincy Adams, the Second, no relation to the famous historic figure, who meets a graduate student named Annie Baxter and agrees to help her write a history of the culture of the South by sharing his experiences through the decades. The redheaded Annie looks just like Liz Denney, one of John Q's old lovers, which immediately endears her to him. After welcoming Annie to the small fictional town of Bodark Springs, he shares hours of stories on Annie's tape recorder with little prompting along the way. John Q's memories follow histories of love and jealousy, misunderstanding, and murder, giving a picture not only of Bodark Springs but also of Texas. Meanwhile, John Q's inner dialogue reveals secrets of his own, including the long months he disappeared in order to protect his family from a deadly threat. Author James Ward Lee easily carries readers through this humorous cultural pilgrimage of the West. While John Q's pace of life is slow, his mind is razor sharp and keeps readers on

their toes waiting for his next harmlessly bawdy joke or flare of seriousness The Girls of the Golden West is ultimately a story of finding love for other people and for one's homeland From the first moment John Q bemoans opening his door for nosy townsfolk readers come face to face with a blend of wisdom and fun that will keep them coming back for more *Wayfaring Strangers* Fiona Ritchie, Doug Orr, 2014-09-29 Throughout the eighteenth and nineteenth centuries a steady stream of Scots migrated to Ulster and eventually onward across the Atlantic to resettle in the United States Many of these Scots Irish immigrants made their way into the mountains of the southern Appalachian region They brought with them a wealth of traditional ballads and tunes from the British Isles and Ireland a carrying stream that merged with sounds and songs of English German Welsh African American French and Cherokee origin Their enduring legacy of music flows today from Appalachia back to Ireland and Scotland and around the globe In *Wayfaring Strangers* Fiona Ritchie and Doug Orr guide readers on a musical voyage across oceans linking people and songs through centuries of adaptation and change From ancient ballads at the heart of the tradition to instruments that express this dynamic music Ritchie and Orr chronicle the details of an epic journey Enriched by the insights of key contributors to the living tradition on both sides of the Atlantic this abundantly illustrated volume includes a CD featuring 20 songs by musicians profiled in the book including Dolly Parton Dougie MacLean Cara Dillon John Doyle Pete Seeger Sheila Kay Adams Jean Ritchie Doc Watson David Holt Anais Mitchell Al Petteway and Amy White In 2017 noted Scottish musician Phil Cunningham followed this musical migration for the acclaimed BBC tv series *Wayfaring Stranger* to which the authors contributed In the pages of this book tv viewers will enjoy re-visiting the people and places they loved on screen Kaiso! Katherine Dunham, 2005 This volume is a collection of writings by and about Katherine Dunham the African American dancer anthropologist and social activist It includes articles her essays on dance and anthropology and chapters from her volume of memoirs *Minefields* **The New International Encyclopaedia** Daniel Coit Gilman, Harry Thurston Peck, Frank Moore Colby, 1906 Prehistory of Jazz Maximilian Hendler, 2023-04-04 This publication follows the history of discoveries pertaining to Portuguese travel to the New World from the 15th century to the 1920s with an emphasis on the events leading to the development of jazz The diversity of cultural influences from all over the world have made the United States a treasury of improvised music Hendler portrays the development of American music scenes in centuries past reporting on aspects such as the background of the slave trade particularly in the Antilles the music of European immigrant families and the sounds of the Spanish controlled Mississippi He sketches the musical relationships between Cuba and the United States and their influence on American popular music around 1900 The highly fashionable march music leaves its mark as do ragtime and spirituals all blending to form an impressive repertoire of improvised music The reader is inspired by the richness of forms and styles and the power of the artistic performances in the prehistory of jazz **The Boxing Kings** Paul Beston, 2017-09-08 For much of the twentieth century boxing was one of America's most popular sports and the heavyweight champions were figures known to all Their exploits were reported regularly in the newspapers

often outside the sports pages and their fame and wealth dwarfed those of other athletes Long after their heyday these icons continue to be synonymous with the sweet science In *The Boxing Kings When American Heavyweights Ruled the Ring* Paul Beston profiles these larger than life men who held a central place in American culture Among the figures covered are John L Sullivan who made the heavyweight championship a commercial property Jack Johnson who became the first black man to claim the title Jack Dempsey a sporting symbol of the Roaring Twenties Joe Louis whose contributions to racial tolerance and social progress transcended even his greatness in the ring Rocky Marciano who became an embodiment of the American Dream Muhammad Ali who took on the U S government and revolutionized professional sports with his showmanship and Mike Tyson a hard punching dynamo who typified the modern celebrity This gallery of flawed but sympathetic men also includes comics dandies bookworms divas ex cons workingmen and even a tough guy turned preacher As the heavyweight title passed from one claimant to another their stories opened a window into the larger history of the United States Boxing fans sports historians and those interested in U S race relations as it intersects with sports will find this book a fascinating exploration into how engrained boxing once was in America s social and cultural fabric

Official Master Register of Bicentennial Activities American Revolution Bicentennial Administration,1974 [Idaho Lore](#) Federal Writers' Project (Idaho),1939 **Jane Gilmore Rushing** Lou Halsell Rodenberger,2006 Study of the writing life works impact and landscape of a West Texas writer Though Rushing considered herself a regionalist her seven novels of the Texas Rolling Plains published between 1963 and 1984 enjoyed a wide national audience Provided by publisher

Dictionary Catalog of the Music Collection New York Public Library.
