

Med-Surg Exam #3

Chapter 2: Medical-Surgical Practice settings

Learning Objectives

1. Describe the role of the licensed vocational/practical nurse in community health, community based care, home health care, rehabilitation facilities and long term care settings
2. Differentiate community health nursing and community-based nursing
3. Describe the types of specialty care that may be provided in home health care
4. Explain the requirements for medicare coverage of home care and implications for LVN/LPN
5. Describe the role of the nurse in home health nursing
6. Explain the definition of skilled nursing care in the context of home health nursing
7. Describe the key concepts and goals of rehabilitation
8. Discuss the impact of legislation on individuals with disabilities
9. Describe the types of long-term care facilities
10. Discuss the effects of institutionalization on the individual
11. Describe the principles of nursing care in long-term residential facilities

Key terms:

Disability: Measurable loss of function; is usually delineated to indicate a diminished capacity for work

Domiciliary care: Care in a facility that provides basic room, board, and supervision.

Handicap: Inability to perform one or more normal daily activities because of mental or physical disability

Impairment: Physical or psychological disturbance in functioning.

Rehabilitation: Process of restoring individuals to the best possible health and functioning after physical or mental impairment.

- Community based nursing:
 - may be described as the delivery of health care services that meet the needs of citizens at various levels of wellness and illness based on identified community needs.
 - In a more general sense, the term is sometimes used to describe the provision of various levels of care in traditional and nontraditional community settings.
- Community Health Nursing:
 - Focuses on:
 - Improving the health status of communities or groups of people called aggregates through public education
 - Screening for early detection of disease
 - Providing services for people who need care outside the acute care setting
