British Books ,1903 A Spirit of Dialogue Christopher N. Okonkwo,2008 A groundbreaking study A Spirit of Dialogue examines through extensive interdisciplinary research theory and close reading the intricate reconstructions extensions and resonances of the West African myth of spirit children the Born to Die in contemporary African American neo slave narratives Arguing that the myth called Ogba je in Igbo language and b k in Yoruba has had over thirty years of uncharted presence in African American literature Okonkwo advances a compelling case absent in extant scholarship He traces Ogba je the Born to Die s appearance in African American texts to a convergence of factors They include but are not limited to the impact of Chinua Achebe s Things Fall Apart the 1960s emergence of the contemporary neo slave narrative the 1960s and 1970s black consciousness Black Power movement and the cultural agenda gendered politics and centripetal philosophy of the Black Arts movement s nationalist aesthetic African American identity questions of the post civil rights and the multicultural eras and the thematic shifts as well as the African diaspora orientation of African American fiction of the post nationalist aesthetic period A Spirit of Dialogue focuses on the sometimes neglected and understudied works of four canonical African American writers Octavia E Butler s Wild Seed and Mind of My Mind Tananarive Due s The Between John Edgar Wideman s The Cattle Killing and Toni Morrison s Sula and Beloved Okonkwo demonstrates persuasively how the mythic spirit child informs the content and form of these novels offering Butler Due Wideman and Morrison a non occidental code by which to engage collectively with the various issues integral to the history experience of African descended people The paradigm functions then as the nexus of a life affirmative dialogue among the six novels as well as between them and other works of African religious and literary imagination particularly Things Fall Apart and Ben Okri s The Famished Road **Spirit of the Times and the New York Sportsman** ,1864 **Christian Register and Boston Observer** ,1905 Psychoanalytic and Spiritual Perspectives on Terrorism Nina E. Cerfolio,2023-12-22 Nina E Cerfolio masterfully explores the deeper spiritual and psychoanalytic understanding of the origins of human aggressive and destructive instincts which underlie mass shootings and terrorism The author survived two terrorist attacks developing breast cancer from being a first responder at 9 11 and being poisoned by an FSB agent while providing humanitarian aid in the Second Chechen War Through a personal scholarly investigation into her psyche the author describes the spiritual awakening that was catalyzed by these events and their traumatic impact and examines how a world could create the firmament for the kinds of destructive aggression that are a daily occurrence Featuring cutting edge quantitative research and case material which illustrates the prevalence of undiagnosed and untreated psychiatric illness among mass shooters and terrorists this book encourages dialogue about the

stigma of mental illness and challenges the perception of terrorists as monsters with no societal responsibility Championing the forgotten collective humiliation of the marginalized which in turn breeds terrorism and documenting a new spiritual lens through which healing is possible this book will be essential reading for mental health workers and anyone wishing to understand the traumatizing epoch in which we are living **The United States Catalog; Books in Print January 1, 1912** Marion Effie Potter,1921 *Yoga Journal* ,1989-07 For more than 30 years Yoga Journal has been helping readers achieve the balance and well being they seek in their everyday lives With every issue Yoga Journal strives to inform and empower readers to make lifestyle choices that are healthy for their bodies and minds We are dedicated to providing in depth thoughtful editorial on topics such as yoga food nutrition fitness wellness travel and fashion and beauty The Worry-Free Parent Sissy Goff,2023-08-22 Worry is contagious but you can stop its spread Anxiety has an amazing ability to spread Time and time again when veteran counselor and parenting expert Sissy Goff has an anxious child or teen in her office she s found they have at least one very well intentioned but anxious parent Anxiety is contagious and it s likely affecting your kids distracting you in the present and making you feel like it will define your family s future It doesn t have to be this way With over 30 years of experience helping both children and adults Sissy offers you practical well researched tools that will make a difference in your life and the lives of your children Learn how to uncover the roots of your own anxiety process anxiety in healthy ways rather than passing it on model bravery discover a place of deeper freer connection to your kids Here is the help you need to experience freedom from anxiety raise confident courageous kids and become a worry free family in an increasingly anxious world Also available The Worry Free Parent Workbook a companion resource that provides clinically proven exercises to help you pinpoint the best anxiety fighting tools for you and your family **The Annual American Catalog** ,1902 **A Catalogue of the Books Belonging to the Library Company of Philadelphia** Library.
