Sprinkling Love Casper Principe, 2014-08-20 Society with its dirt and debris has transformed some of us into wild beasts beyond recognition Some of our souls have been degenerated and deformed by society to the point of having a false sense of love This book will help you understand your true nature by looking deep inside yourself to find the inner self the soul where love resonated before this earth life put ashes on it It s deep inside and resides in all who have been born on this earth Just as those who catch sight of Glaucus a dead fisherman according to Greek myth who had been turned underwater into a hybrid god of the sea covered with aquatic debris would no longer easily see his original nature because some of the old parts of his body have been broken off and the others have been ground down and thoroughly maimed by the waves at the same time as other things have grown on him shells seaweed and rocks so that he resembles any beast rather than what was by nature so too we see the soul in such a condition because of countless evils The answer is a kind of intellectual odyssey a spiritual wandering or quest undertaken by an open minded person looking for an acquisition of knowledge that reveals our true nature The Republic by Socrates Rousseau stated It is no light undertaking for man to separate himself what is original to what is artificial it is hard to judge ourselves objectively How are we to change Perhaps by a certain kind of rapturous illumination just as Rousseau found it in his own heart by knowing thyself He wrote The principle is freedom it is a purely spiritual fact born free the human being is everywhere in chains it is not authorized by natural law Evil is a product of society An intelligent person will find a way to their inner self by looking beyond the dirt and debris deposited by society and learning about True Love Casper Sean Principe *Real Love in Marriage* Greg Baer, 2007-09-20 With marriage down and divorce up it s tough to get and stay married these days But therapist Greg Baer says you can have a happy marriage by learning to love your partner unconditionally practicing Real Love Chicago Tribune Why do more than half of all marriages end in divorce And why is there so much unhappiness in the marriages that survive Greg Baer offers the solutions for a long lasting marriage in his anticipated follow up to Real Love The Truth About Finding Unconditional Love and Fulfilling Relationships No matter how many wounds have been inflicted in a marriage Greg Baer believes that they can be healed giving both partners the sense of fulfillment and joy they ve always wanted With practical anecdotes and exercises throughout Baer shows you Why our spouses are not the root cause of how we feel and behave The truth about why we get angry with our spouses and argue with them How to eliminate not just manage anger and conflict How to identify what we need to change about ourselves How you and your partner can both get what you want out of the marriage How you can break the cycles of expectation and disappointment How to prevent divorce and how to know when it s the right option There are no quick solutions to fixing a marriage With Greg Baer as your guide you can begin to heal the wounds of the past and cultivate the lifelong commitment to stay with your partner while learning how to unconditionally love him or her **Divine Dirt** Charity L.
