Introduction to Veterinary and Comparative Forensic Medicine John E. Cooper, Margaret E. Cooper, 2008-04-15 Introduction to Veterinary and Comparative Forensic Medicine is a ground breaking book in an emerging new speciality It reflects the increasing demand for expert opinion by veterinarians and others in courts of law and elsewhere on such matters as wildlife conservation welfare of and alleged cruelty to animals insurance certification and malpractice the identification of live and dead species or their derivatives It also discusses and analyses current concern over possible links between domestic violence and abuse of animals Throughout the book the emphasis is on the need for a systematic and thorough approach to forensic work A particular feature is practical advice with protocols on dealing with common problems together with case studies various appendices and an extensive bibliography A vital reference for members of the veterinary profession lawyers enforcement bodies and welfare and conservation organisations The comparative aspects provide an important source of information for those working in human forensic medicine and the biological sciences

The Search for Justice Kumari Jayawardena, Kishali Pinto-Jayawardena, 2016-11-21 The Sexual Violence and Impunity in South Asia research project coordinated by Zubaan and supported by the International Development Research Centre brings together for the first time in the region a vast body of knowledge on this important yet silenced subject Six country volumes one each on Bangladesh Nepal Pakistan Sri Lanka and two on India as well as two standalone volumes comprising over fifty research papers and two book length studies detail the histories of sexual violence and look at the systemic institutional societal individual and community structures that work together to perpetuate impunity for perpetrators The essays in this volume examine history and contemporary politics to understand the root causes of sexual violence in Sri Lanka They look at the polarization created around ethnic and linguistic identities during the three decades of ethnic conflict but also scrutinize the routine violence of communities towards their own women in daily life The authors argue that in this transitional post war phase Sri Lankan women must not only be treated as victims but as agents of change The writers highlight a hitherto unaddressed aspect of

sexual violence that of the structures that enable impunity on the part of perpetrators be they security personnel and paramilitary forces members of armed rebel groups gangs local politicians and police or ordinary citizens including close family members They demonstrate how impunity for perpetrators is both a failure of the formal justice process and a product of individual community and social conditions and indeed the choices that victims and families make that promote silence over truth At the end of more than a quarter century of conflict that has left some 100 000 dead 50 000 women headed households struggling to survive as well as countless victims and survivors of sexual violence the calls for justice can no longer be ignored

Missing Persons Karen Shalev Greene, Llian Alys, 2016-10-14 A missing person is an individual whose whereabouts are unknown and where there is some concern for his or her wellbeing In the UK around 250 000 people are reported missing every year with the majority being children under the age of 18 Despite the fact that missing persons are a social phenomenon which encompasses vast areas of interest relatively little is known about those who go missing what happens to them while they are missing and what can be done to prevent these incidents from occurring This groundbreaking book brings together for the first time ideas and expertise across this vast subject area into one interconnected publication It explores the subjects of missing children missing adults the investigative process of missing person cases and the families of missing persons Those with no prior knowledge or professionals with focused knowledge in some areas will be able to expand their understanding of a variety of topics relevant to this field through detailed chapters which advance our understanding of this complex phenomenon discuss what is unknown and suggest the best and most important steps forward to further advance our knowledge

[Index of NLM Serial Titles](#) National Library of Medicine (U.S.), 1979 A keyword listing of serial titles currently received by the National Library of Medicine

Forensic Science and Humanitarian Action Roberto C. Parra,Sara C. Zapico,Douglas H. Ubelaker,2020-01-28 Widens traditional concepts of forensic science to include humanitarian social and cultural aspects Using the preservation of the dignity of the deceased as its foundation Forensic Science and Humanitarian Action Interacting with the Dead and the Living is a unique examination of the applications of humanitarian forensic science Spanning two comprehensive volumes the text is sufficiently detailed for forensic practitioners yet accessible enough for non specialists and discusses both the latest technologies and real world interactions Arranged into five sections this book addresses the management of the dead across five major areas in humanitarian forensic science Volume One presents the first three of these areas History Theory Practice and Legal Foundation Basic Forensic Information to Trace Missing Persons and Stable Isotopes Forensics Topics covered include Protection of The Missing and the Dead Under International Law Social Cultural and Religious Factors in Humanitarian

Forensic Science Posthumous Dignity and the Importance in Returning Remains of the Deceased The New Disappeared Migration and Forensic Science Stable Isotope Analysis in Forensic Anthropology Volume Two covers two further areas of interest DNA Analysis and the Forensic Identification Process It concludes with a comprehensive set of case studies focused on identifying the deceased and finding missing persons from around the globe including Forensic Human Identification from an Australian Perspective Skeletal Remains and Identification Processing at the FBI Migrant Deaths along the Texas Mexico Border Humanitarian Work in Cyprus by The Committee on Missing Persons CMP Volc n De Fuego Eruption Natural Disaster Response from Guatemala Drawing upon a wide range of contributions from respected academics working in the field Forensic Science and Humanitarian Action is a unique reference for forensic practitioners communities of humanitarian workers human rights defenders and government and non governmental officials **The Sri Lanka Journal of Surgery** ,2003 *Handbook of Forensic Anthropology and Archaeology* Soren Blau,Douglas H. Ubelaker,2016-07-28 With contributions from 70 experienced practitioners from around the world this second edition of the authoritative Handbook of Forensic Archaeology and Anthropology provides a solid foundation in both the practical and ethical components of forensic work The book weaves together the discipline s historical development current field methods for analyzing crime natural disasters and human atrocities an array of laboratory techniques key case studies involving legal professional and ethical issues and ideas about the future of forensic work all from a global perspective This fully revised second edition expands the geographic representation of the first edition by including chapters from practitioners in South Africa and Colombia and adds exciting new chapters on the International Commission on Missing Persons and on forensic work being done to identify victims of the Battle of Fromelles during World War I The Handbook of Forensic Anthropology and Archaeology provides an updated perspective of the disciplines of forensic archaeology and anthropology **Bibliography of Publications in Legal Medicine & Forensic Sciences Relating to Sri Lanka, 1811-1984** Ravindra Fernando,1986 **Genocide and Mass Atrocities in Asia** Deborah Mayersen,Annie Pohlman,2013-06-03 The twentieth century has been labelled the century of genocide and according to estimates more than 250 million civilians were victims of genocide and mass atrocities during this period This book provides one of the first regional perspectives on mass atrocities in Asia by exploring the issue through two central themes Bringing together experts in genocide studies and area specialists the book looks at the legacy of past genocides and mass atrocities with case studies on East Timor Cambodia and Indonesia It explores the enduring legacies of trauma and societal divisions the complex and continuing impacts of past mass violence and the role of transitional justice in the aftermath of mass atrocities in Asia Understanding these complex legacies is crucial for the region to build a future that acknowledges the past The book goes on to consider the prospects and challenges for preventing future mass atrocities in Asia and globally It discusses both regional and global factors that may impact on preventing future mass atrocities in Asia and highlights the value of a regional perspective in mass atrocity prevention Providing a detailed examination of genocide

and mass atrocities through the themes of legacies and prevention the book is an important contribution to Asian Studies and Security Studies *Understanding Match-Fixing in Sport* Bram Constandt,Argyro Elisavet Manoli,2022-08-12 Bringing together leading match fixing researchers from different fields this book offers new theoretical and applied perspectives on this persistent problem in sport and wider society The book explores the foundations of match fixing from multiple viewpoints from sociology and criminology to policy and governance exploring topics such as the use of network governance theory ethics and integrity and management aspects that position match fixing in sport s commercial landscape Featuring cases and data from all around the world the book explains how match fixing has become a prominent feature of contemporary sport and considers the efficacy and practicability of interventions to solve these problems This is fascinating and important reading for any advanced student researcher practitioner or policymaker with an interest in sport management sports business sport policy sport development sport law or criminology *The Politics of Drug Control* M. Bentham,1998-10-05 The Global Politics of Drug Control sets the drug problem into a theoretical framework which aids understanding of the phenomenon by focusing on changing international values and norms In the early literature on drug use drugs were considered primarily as a social problem and the focus was on seeking a national policy However in the 80s the problem was increasing requiring international cooperation and action bringing the concerned to the arena of international relations scholars The book focuses on changing values and norms in the international community that allow the discipline of international relations to add something new to the current debate on the subject This book should appeal to all those interested in the current discussions on the drug phenomenon as well as to students and academics in the area of international relations and related disciplines
