Dracula's Wars James Waterson,2016-07-04 The real Dracula was far from Bram Stoker s well mannered aristocrat Better known as Vlad the Impaler he was named for his favoured execution method running a spear through his victim s lower body then standing them upright so it skewered their vital organs In a world ruled by petty tyrants and constantly at war the young Dracula was held hostage by the Turks while his father was assassinated and his brother was buried alive Finally released Dracula conducted an almighty purge surrounding his palace with noblemen impaled on stakes Then he turned his attention to military campaigns against the Turks and Bulgars to consolidate his power Yet to Romanians and the Pope he was a hero and liberator fighting to protect his kingdom and countrymen from invasion in a complex and treacherous time And as an initiate in the Order of the Dragon Dracula also played a vital if not entirely noble part in the fight against the Ottoman war machine In this full account of Vlad Dracula James Waterson details the good and the bad of this warlord prince offering a fascinating insight into the violent end of the Middle Ages *Vlad the Impaler* Hourly History,2016-10-03 The character Count Dracula is well known throughout the world He is a dark seductive pale man wearing a cape His gaze is quite literally captivating and he has the strength of ten men The story written by Bram Stoker in 1897 has been retold hundreds of times but is there a historical figure upon whom the character is based Is there really a Dracula Many scholars

argue that Vlad III Dracula also known as Vlad the Impaler is the real Dracula He was known in western Europe for his cruelty most especially his penchant for impaling his victims He is said to have killed somewhere between 40 000 and 100 000 people during his crusade to stop the Ottoman Empire from expanding into eastern Europe He was equally harsh on the people he ruled and is said to have taken great pleasure in torturing his victims Inside you will read about Vlad s early life and family Rise to power Vlad s first reign War with the Ottomans Vlad s main reign Vlad s imprisonment third reign and death Vlad Dracula s legacy Vlad the Impaler in fiction Count Dracula His story however is much more complicated than the oft reported details of his atrocities would imply He lived in a time of conflict where many were equally as cruel and he is viewed as a hero in Romania where he is remembered as a protector of his people This eBook tells the story of his life and times and discusses his connection to the fictional Count Dracula in a succinct compelling manner which makes for an entertaining read that is packed with historical information
