No Fluffy material that isn't absolutely necessary to pass the exam The ARRL Extra Class License Manual Larry D. Wolfgang, Dana G. Reed, R. Jan Carman, 2002 *A Complete Study Guide for Technician, General, Extra Class Ham Radio Exams, and the Volunteer Examiner's Test* Joseph Lumpkin, 2012 Technician Class pool valid until June 30 2018 General Class pool valid until June 30 2015 Extra Class pool valid until June 30 2016 Don't think of a black cat Don't think of a black cat Do not think of a black cat The brain does not process negatives very well It takes in information first and then later attempts to filter out false data To expose someone to incorrect answers on a test is to place fraudulent information in memory and then say to the brain Don't remember these answers It is for this reason the only answers you will encounter in this book are the correct ones For those who wish to memorize only the answers there are no formulas needed no math no electronics or theories to learn This manual contains the answers to all possible questions in all tests from Technician Class General Class and Extra Class license tests In addition the manual also provides the answers to the Volunteer Examiner's test However many people want to know why and many need a framework on which to relate the answers That is why this book is arranged so that theories formulas rules and regulations are explained in separate chapters General theories and concepts of electronics and antenna design along with FCC regulations are presented to the reader Formulas explanations and diagrams from various sources give the reader all the information needed to pass the licensing tests all in one book This is a two pronged approach You chose the path that is best for you *Amateur Radio Extra Class Licensing* Stephen Horan, 2020-03-29 This study guide prepares you for the FCC Amateur Radio Extra Class license examination The Extra Class examination is the highest level examination for an operating license The guide goes through each of the questions in the license question pool with each chapter covering one of the ten license question areas For each question the guide provides the question and the correct answer along with an explanation for the correct answer Additionally the guide explains why many of the distraction answers are incorrect The questions are valid through June 30 2024 Each chapter starts with relevant background information tables and figures to help with understanding the topics in the chapter Through the questions and answers you will learn about the regulations governing radio communications good amateur practice in the operating modes and some basic math and electronics for radio *Extra Class Radio Amateur FCC Test Manual* Martin Schwartz, 1985

Amateur Radio Incentive Licensing Study Guide Robert Michael Brown, Tom Kneitel, 1967 The Fast Track to Your Extra Class Ham Radio License, 2018 Everything you need to pass your Amateur Extra Class exam Rave reviews for The Fast Track Ham Radio License programs This is a great book So many of the study guides are just question dumps and it's a horrible way to learn at least for me I need an explanation and something to keep my interest and Mr Burnette's book fits the bill perfectly I echo all the sentiments of the other reviewers the author is a top notch communicator Michael Burnette's ham radio exam prep book is the most useful and comprehensive book that I have found on this subject and makes getting ready for this exam not only easy but fun I have learned so much since studying this guide and feel ready to take this exam at a
