God's Perfect Plan Mark Paul Bishop, 2011-06 While working in the ER one evening the nurse called to tell me that Pastor Steve would like to talk with me As I shared my thoughts with Pastor Steve the simplicity of his responses almost left me speechless It was from this life changing conversation that Dr Mark Paul Bishop began a life devoted to Christ exhausting his human potential in service to his fellow man God s Perfect Plan is Dr Mark s spiritual autobiography and details his faith journey as he wrestles with issues directly pointing to the deficiency of our lives a deficiency that he learned can only be filled through a relationship with Christ Readers will be inspired as they seek their own answers to questions regarding God s perfect plan in their own lives Woven into the fabric of God s perfect plan for you you will discover the role of our social institutions of the family church school community and government You will be further amazed by the manner in which God incubates His plan for your life through His divine guidance and protection See how this family physician despite skepticism and wavering faith demonstrates how God s purpose and plan is clear in our lives if we only look for it The practical application of Christianity is not a myth it really does work See for yourself as you discover God s perfect plan **Physics, Study Guide** John D. Gold Stripe on a Jackass Stephen B Sloane,2008-06-25 Gold Stripe on a Jackass is a conceptually rich description of one naval officer s career journey Author Stephen B Sloane began his career in Annapolis where the commandment of obedience holds sway and finished in Berkeley a place where questioning authority is woven deeply into the cultural fabric Sloane rejects the conventional role of corporate government and military ideals by demonstrating that efficiency can be attained without sacrificing morality He maintains that the person who dons the gold stripe of authority should reject the role of jackass and strive for moral efficiency by regarding the expenditure of human life as a cost rather than the utilization of a tangible resource Inspired by Admiral James Bond Stockdale s experience as a prisoner of war in Vietnam Sloane asserts that a man s ethical posture and philosophical outlook can enable him and others to survive even the direst conditions with honor Gold Stripe on a Jackass provides readers with a guide to individual responsibility for leadership decision making that emphasizes the requirement to question authority and the need to speak truth to power This is an original and enlightening contribution to scholarship and education as well as a moral compass for those who occupy positions of authority in the corporate and governmental sectors of society
