has also gone missing This grants him the freedom to sleep even with the burden of murder On the last day of the investigation the narrator accompanies the police into the cellar They still find nothing significant Then completely confident in his own safety the narrator comments on the sturdiness of the building and raps upon the wall he had built around his wife's body A loud inhuman wailing sound fills the room The alarmed police tear down the wall and find the wife's corpse and on its rotting head to the utter horror of the narrator is the screeching black cat As he words it I had walled the monster up within the tomb
