Tsouras,2011-10-19 The most intriguing what if of the American Civil War presents an exciting and graphic recreation of  
alternate possibilities Everyone with an interest in America s greatest battle comes up against its controversies What if J E B  
Stuart had arrived on the battlefield before the second day What if Ewell had pressed hard on the heels of the Union rout on  
the first day What if Pickett s charge had been stronger and better led What if the Army of the Potomac had been  
commanded by a more aggressive counter attacker than Meade Gettysburg presents some of these possibilities as though  
they were the reality and explores the impact they would have on the battle and on the course of the war The alternate  
events are anchored firmly in the context of the actual events and are all within the scope of what was genuinely possible
