Babalon is based on Crowley's favorable reinterpretation of the biblical Whore of Babylon and is associated with liberated female sexuality and the spiritual ideal of passionate union with existence. Combining research on historical and contemporary Western esotericism with feminist and queer theory, the book sheds light on the ways in which esoteric movements and systems of thought have developed over time in relation to political movements.

Underneath the Blood C. Matthew McMahon, 2025-01-15. *Underneath the Blood* is a study into the heart of what it means to live covered, protected, and empowered by the precious blood of Christ. This book invites you into the weighty mystery of how Christ's sacrifice does more than offer forgiveness; it unlocks true joy, freedom, and eternal security in salvation. Beneath the surface of everyday struggles, doubts, and sin lies an untouchable truth: the blood of Jesus does not merely cleanse; it transforms the Christian. In a fallen world where happiness is fleeting and circumstances constantly change, there is a deeper, unshakable source of joy found in being underneath the blood. This is where souls are renewed, hearts are strengthened, and lives are lived in the full assurance of Christ's finished work. Through powerful reflections, this book will awaken your understanding of how the blood of Christ secures your salvation, sanctifies your soul, and leads you into an abundant, glorious life in God. If you're ready to move beyond the superficial religion of contemporary evangelicalism and encounter the depths of what it means to be hidden under the power of Christ's blood, where victory, peace, and unending happiness reside, then this book will be your guide to the biblical teaching of the atonement. Step into a study of the everlasting covenant that changes everything and discover what it truly means to live Underneath the Blood.
