The Beautiful Ones The Chosen Ones English Edition:

The Chosen Ones Margarita Arnal Moscardó, 2023-12-28 The book *The Chosen Ones* represents a staunch and unwavering commitment to face life overcome difficulties and to know how to enjoy it at all times along the path of the evolution of consciousness In this sense the author Margarita Arnal Moscard reveals to us through her stories a path to live life Reading this book is giving yourself the opportunity to delve into the ancestral feminine force The author's great understanding of feelings and her connection with a wisdom that connects with our soul offers answers on the initiation of the path to overcoming difficulties while acknowledging the happy moments that life offers *The Chosen Ones* an exciting novel that captivates the reader from the first moment is based on the spiritual adventures of three women throughout their lives *The Chosen Ones* is the telling of three stories perhaps not by chance as the number three is considered the perfect number according to spiritual traditions In the three stories we find a wide spectrum of situations that bathe the individual in joy love and happiness or at the same time flood with deep sadness lost love and suffering Perhaps a more subliminal message in the book but latent in each of the three stories is the sublime claim of the inalienable right for women to enjoy the path of life whatever future or destiny holds for each of them for ALL the women given that there are three stories The ties obstacles and problems that women face can in no way prevent them from achieving their happiness Pain and suffering do not justify the martyrdom of waiting for an earthly existence without both The depth of the book is combined with sweetness as well as the clarity and courage with which pain is described the inevitable goodbye to loved ones and the maybe we will meet again sometime somewhere They are intermingled with a touch between realism and idealism and a sense of humor while offering an apprenticeship in the initiation rituals offered by some of the cultures of the earth From all this it can be deduced that the author Margarita Arnal Moscard shows authentic knowledge of the different visions of approach to the spiritual from the different cultural spiritual experiences that coexist on earth *The Man of Heaven and the Beautiful Ones of God* Elizabeth Gunner, 2021-11-08 The role of Africans in the growth and process of Christianity in South Africa in the late nineteenth and early twentieth century In particular the book provides an insight into the role of writing and literacy in the church founded by the South African prophet Isaiah Shembe in 1910 The book provides a substantial contextualising introduction which includes discussion of the church's history and its position in contemporary South Africa and weaves in discussion of the topics of literacy and modernity The book then moves to the three documents presented in their language of composition Zulu and in an English translation The three books each from Shembe's Nazareth Baptist Church provide the reader with a fascinating insight into the growth and organisation of one of southern Africa's most influential African Churches and into the use and interpretation of the Bible by the church's founder Isaiah Shembe and by church members Central to the writings is the complex presence of Shembe present both through his own words in the first book and in the second book through the memory of Meshack Hadebe a member of the church in the 1920s and 1930s The extracts in the

third book provide a glimpse of the church's hymnal and the unique religious poetry of the hymns authored by Shembe
