The Billionaire's Secret Marriage Elizabeth Lennox, 2015-02-13 Dante Liakos had yet another challenge to overcome in securing his business empire's future but this one was much more personal in nature the need for a wife and an heir Without them he could lose control of the empire he had worked so hard to rebuild and expand However as he had found so many times before turning a challenge into a success was about recognizing the right opportunity and acting upon it decisively In Jayden Hart he saw such an opportunity enclosed in the rare combination of innocence beauty and brilliance a combination he couldn't resist despite his attempts to remain aloof from the relationship Normally poised and self-assured Jayden's world had taken an alarming turn What initially had seemed like a nuisance was quickly becoming a significant threat to her business her family and her whole way of life And she had no idea how to avoid catastrophe Dante's suggested solution presented a potential lifeline but with what strings attached Would the solution be worse than the crisis that had required it And how was she to avoid falling in love with her secret husband
