The Bible Book A Users Guide

Richard Bailey

The Bible Book A Users Guide:

The Bible Book Nick Page,2002 This handbook to the Bible places a strong focus on items that use a concept led presentation to bring new angles to things such as questions questions featuring interrogative style analysis of both sides of an issue and cultural comparisons giving key tourist guide style information on how today s culture compares with that being considered In essence this handbook aims to give all the required information and more on what the Bible is about but to do so in an economical form and with a lightness of touch that makes it approachable without undermining its serious points

User's Guide to the Bible Chris Wright,1993 **Quick Start User's Guide for the Bible** James E. Ball,2013-07 I wrote this book to help people like myself who may have tried to understand the Bible or have been intimidated by it In the beginning of my study of the Bible I spent hours trying to get the hang of it I got lost reading long lists of names I couldn t even figure out how to pronounce The book of Leviticus contained lists of rules and regulations **A User's Guide to Bible Translations** David Dewey,2005-01-27 David Dewey offers an easy to use handbook for digging through the mountain of Bible translation options until you find the right Bible for the right purpose **Users Guide to the Bible** Christopher J.
