Do You Want to Get Well? April Towery,2024-08-14 On March 29 2019 April Towery was an overconfident alcoholic who had been drinking all day when she slipped into her car after dark to travel from Houston to Dallas About halfway into the drive she crossed a median and hit head on another vehicle carrying a driver and two passengers Although she recalls little from that night she remembers hearing a dispatcher say one word through a police officer s radio fatality In a raw and tragic story of redemption hope and forgiveness April chronicles her life journey beginning in a Christian home where she battled low self esteem and a strong desire to be loved and accepted As she reveals how social drinking led her to feel beautiful likable and funny April candidly describes how she slowly transformed into a full blown and seemingly hopeless alcoholic While sharing insights into her spiritual awakening behind the walls of a Texas prison she discloses how she learned to affirmatively answer the deeply introspective question Jesus placed on her heart Do You Want to Get Well is the moving true story of a recovering alcoholic s journey of healing and freedom in Christ

In the House of the Serpent Handler Julia C. Duin,2024-01-12 In the House of the Serpent Handler offers an intimate and engrossing look at the latest generation of Pentecostal believers who take up venomous snakes as a test of their religious faith Focusing on several preachers and their families in six Appalachian states journalist Julia C Duin explores the impact that such twenty first century phenomena as social media and reality television have had on rituals long practiced in obscurity As Duin reveals the mortal snakebite suffered by pastor Mack Wolford in 2012 marked the passing of the torch to younger preachers Jamie Coots and Andrew Hamblin who were featured in the 2013 series Snake Salvation on the National Geographic Channel Seeing their participation in the show as a way of publicizing their faith and thus winning converts Coots and Hamblin attempted to reinvent the snake handling tradition for a modern audience The use of the internet particularly Facebook became another key part of their strategy to spread their particular brand of Christianity However Coots s own death in 2014 was widely reported after the TV series was canceled while Hamblin who emerges as the central figure in the book was arrested and tried after a shooting incident involving his estranged wife His hopes of becoming a serpent handling superstar seemingly dashed Hamblin spent several months in prison emerging more determined than ever to keep to the faith By the end of the narrative he has begun a new church where he can pass on the tradition to yet another generation Duin s thorough sympathetic reporting and lively style bring the ecstatic church services she witnessed vividly to life and through interviews and quotations from the principals Facebook postings she has allowed them to express their beliefs and reveal their everyday lives in their own words She also gives the reader an up close view of how a reporter pursues a story and the various difficulties encountered along the way Together these elements frame a striking picture the young practitioners of a century old custom one so often dismissed as bizarre by outsiders adjusting to the challenges of the new millennium Julia C Duin the former religion editor for the Washington Times has published articles in the Washington Post the Wall Street
