Nicola's Surprised Birthday Present Marnel Mangan, 2014-04-21 A word from the Author Hope you enjoy Nicola s Surprised Birth Day Present written mainly for 2 to 5 year old children My main goal in writing this book is to give this age group a sense of belonging humour and their appreciation of values through the characters of Nicola and Phil Children are able to learn life long learning skills of love compassion empathy and companionship through humananimal interactions Also

I believe when children are younger we as parents could guide them into practicing these skills in a positive manner As a result when they grow up children become more sustainable in their nature and behaviour I experienced this in my own household and I thought my positive experience could enlighten other parents and children in a similar manner Wish you all very best with reading Marnel Mangan Melbourne Victoria Australia March 2014 The saga of Phil Bart and Nicola will continue in some other books in the near future
