WATT MEDLOCK

A stylized, high-contrast illustration of a character, possibly a superhero or action figure, is integrated into the text. The character is depicted in a dynamic, crouching pose, with one arm extended forward and the other bent. The character's body is composed of various geometric shapes and patterns, including stripes and solid blocks of color. The character's head is visible, showing a helmet or mask with a circular visor. The overall style is reminiscent of mid-20th-century pulp magazine art or comic book illustrations. The character is positioned behind the text, with some parts of the text overlapping the character's body.
