The Blood Of The Fifth Knight:

The Blood of the Fifth Knight E. M. Powell, 2015 England 1176 King Henry II has imprisoned his rebellious Queen for attempting to overthrow him But with her conspirators still at large and a failed assassination attempt on his beautiful mistress Rosamund Clifford the King must take action to preserve his reign Desperate Henry turns to the only man he trusts a man whose skills have saved him once before Sir Benedict Palmer answers the call mistakenly believing that his family will remain safe while he attends to his King As Palmer races to secure the throne for the King neither man senses the hand of a brilliant schemer a mystery figure loyal to Henry s traitorous Queen who will stop at nothing to see the King defeated The Blood of the Fifth Knight is an intricate medieval murder mystery and a worthy sequel to E M Powell s acclaimed historical thriller The Fifth Knight

Medieval Crime Fiction Anne McKendry, 2019-05-14 Combining elements of medievalism the historical novel and the detective narrative medieval crime fiction capitalizes upon the appeal of all three the most famous examples being Umberto Eco s The Name of the Rose one of the best selling books ever published and Ellis Peters endearing Brother Cadfael series Hundreds of other novels and series fill out the genre in settings ranging from the so called Celtic Enlightenment in seventh century Ireland to the ruthless Inquisition in fourteenth century France to the mean streets of medieval London The detectives are an eclectic group including weary ex crusaders former Knights Templar enterprising monks and nuns and historical poets such as Geoffrey Chaucer This book investigates the enduring popularity of the largely unexamined genre and explores its social cultural and political contexts
