The Carter Boys 4 Desiree,2016-12-23 In this final episode of The Carter Boys we take our last ride into the city of Atlanta with the boys Drawing deeper into the family of brotherhood and the women who can't seem to get enough The brother who has the least to say has the most to hide in this series as he reveals a jaw dropping family secret to Jordyn in an unexpected turn of events Betrayal and loyalty are tested in this final book when Michael A good wholesome church going man comes in between Noelle and Shiloh Fingers begin to point when money is stolen and family bonds are broken when its revealed who has been living a lie this entire time Deadly shots are fired Love is made Make ups to break ups and a woman madly insane for a certain Carter takes her on a wild chase in this dramatic hysterical ending to finish off one of the most talked about series this year Come take one last trip to the A to see about the southern bred home grown country slang talking west side zone 1 all day brothers that make up The Carter Boys

The Scottish Carter Angela Tuckett,2024-07-31 First published in 1967 The Scottish Carter presents the history of the Scottish horse and motormen's association from 1898 1964 The road haulage industry has expanded at the tempestuous rate and here is recorded an equally tempestuous history of a trade union built by the men who have driven the vehicles Angela Tuckett an active trade unionist also has practical knowledge of the trade union movement in the capacity of qualified solicitor and journalist She explains the development of the men's outlook from the relations which obtained between master and servant in the intolerable conditions of the horse drawn era to the present day crisis in collective bargaining With the change from horse to mechanical traction came the fight for a measure of public control the Royal Commission on Transport 1928 30 and the road traffic legislation which followed The author describes the struggle for traffic between private railway companies and private road hauliers nationalization and denationalization of road transport and how the union reached the conclusion that the only solution to traffic chaos is an integrated transport system under public ownership In tracing how and why the Scottish union arose its special problems and the reason for keeping its Scottish bases the author has drawn upon the union's official records and other original sources The result shows a modern progressive union principled in its relations with other organizations responsive to change and equipped to meet new problems for which many larger unions still have to find the solution This is an interesting book for students of trade union history Scottish labour history and British history
