have been particularly conducive to the development of sacred singing in the community How does the subject matter of songs relate to the immediate environment of coastal inhabitants How and why has gospel singing in coastal communities changed These questions are answered with comprehensive reference to interview material fieldnotes videography and audio field recordings As one of the first pieces of ethnomusicological research into sacred music performance in Scotland this ethnography draws important parallels between practices in the North East and elsewhere in the British Isles and across the globe The Beatles Mark Lewisohn,2013 Simultaneously published in Great Britain by Little Brown UK Title page verso

The Beatles Ticket to read Alessandro Spronelli,2025-03-07 Every Beatles fan would have loved to be at all of their legendary concerts to experience the thrill of a live performance and hear their unforgettable songs in person Unfortunately this dream is impossible for most of us as their performances took place in a time long past and their concerts were so numerous and spread all over the world So I thought to myself why not collect the tickets from those concerts But then I realized that this idea too was a bit unachievable However collecting their pictures those tangible memories seemed possible They allow you to breathe the same air that those who attended once felt And so despite the challenges I embarked on the journey of gathering images that allow us to relive even if only through a book the magic of the Beatles on stage Ogni fan dei Beatles avrebbe voluto essere presente a tutti i loro leggendari concerti per vivere l'emozione di una performance dal vivo e sentire le loro indimenticabili canzoni di persona Cos mi sono detto perch non collezionare i biglietti di quei concerti Impossibile Tuttavia raccogliere le loro foto memorie tangibili di quei momenti sembrava possibile E cos nonostante le difficolt ho intrapreso il viaggio di raccogliere immagini che ci permettano di rivivere anche solo attraverso un libro la magia dei Beatles sul palco Lonely Planet Scotland's Highlands & Islands Lonely Planet, **Beatles Gear** Andy Babiuk,2001
