Andrews, 2020-02-08 THE BIBLE ERRORS MISTAKES INCONSISTENCIES CONTRADICTIONS Critics claim that the Bible is filled with so called errors mistakes inconsistencies and contradictions Some even speak of thousands of errors The truth is there is not even one demonstrated error in the original text of the Bible Of course we would never say that there are no difficulties in our Bibles The Bible is loaded with thousands of difficult challenging passages many of which become obstacles in the development of our faith These difficulties arise from differences in culture language religious and political organizations not to mention between 2 000 to 3 500 years of separation between the Bible author and the modern day reader Calling attention to these difficulties and sifting out the misconceptions Andrews defends the full or absolute inerrancy of Scripture He clarifies the so called errors or mistakes and what might seem like apparent contradictions He arms the Christian with what they need to defend their faith in the Bible Honestly whenever Christians find difficulty in the Bible acknowledge it Do not try to obscure it Do not try to dodge it The best way to deal with Bible critics and the Bible Difficulties is to understand all the ways that Bible Difficulties can come

[Six More Songs](#) Ivor Moody,2023-08-18 In a society many consider now to be post Christian with traditional rituals and expressions of belief and faith struggling to maintain their appeal we desperately need different signs and symbols to help us realise afresh the message of the Christian Gospel and the importance of faith Ivor Moody argues that the songs studied in this book can provide a way to do just that They are familiar much loved icons of music played and admired by millions and famous throughout the world but also they might contain a message to the world of faith and spirituality to look again at how the sacred can be found within the secular They are stories of a priest and a parishioner feeling crippled by their loneliness a musician who has ended up in a dead end bar with others who need to blot out life for a little while a community living with division and repression a dying soldier a singer experiencing a kind of epiphany and people living with mental illness Each song connects us to something in our own story Songs which have been with us for years and which thread through our lives but which could provide those new signs and symbols which will be able to inform and enrich our relationship with God
