The Of Dreams And Ghosts:

Dreams and Ghosts Andrew Lang, 2020-03-18 A pioneering anthropologist and folklorist presents scores of lively and reputedly true ghost stories from around the world featuring the naked ghost the rattlesnake ghost the dancing devil other apparitions

The Book Of Dreams And Ghosts Andrew Lang, 1970 It has been known for some time that Mr Lang has added ghosts to his hobbies In the volume before us The Book of Dreams and Ghosts Mr Lang offers a large collection of ghost stories old and new and his opinions on appearances As far as we can gather Mr Lang s attitude from these pages which have much of the vagueness of expression that goes with memoirs of the supernatural he disbelieves in traditional ghosts the ghosts that do things but wishes it were otherwise Like all persons of poetical or romantic temperament he would prefer to believe in them They would make life so much more interesting and exciting

The Book of Dreams and Ghosts Andrew Lang, 2017-07-21 Although most famous for his collections of fairy tales and folklore Andrew Lang also dealt with other subject including ghosts However this is not a collection of camp fire ghost stories but rather an exploration of true ghost tales and anecdotes looking at their natural causes and explanations Andrew Lang 31 March 1844 20 July 1912 was a Scottish poet novelist literary critic and contributor to the field of anthropology He is best known as a collector of folk and fairy tales The Andrew Lang lectures at the University of St Andrews are named after him Other notable works by this author include The Ballads and Lyrics of Old France 1872 The Folklore of France 1878 and Custom and Myth 1884 Many vintage books such as this are becoming increasingly scarce and expensive It is with this in mind that we are republishing this volume now in an affordable modern high quality edition complete with a specially commissioned new biography of the author

The Book of Dreams and Ghosts Andrew Lang, 1897 The Book of Dreams and Ghosts: Special Edition Andrew Lang, 2018-06-22 The Book of Dreams and Ghosts is the 1897 book by the famous author Andrew Lang The subject is Lang s exploration into true ghost stories and prophetic dreams The author has frequently been asked both publicly and privately Do you believe in ghosts One can only answer How do you define a ghost I do believe with all students of human nature in hallucinations of one or of several or even of all the senses But as to whether such hallucinations among the sane are ever caused by psychical influences from the minds of others alive or dead not communicated through the ordinary channels of sense my mind is in a balance of doubt It is a question of evidence Odin s Library Classics is dedicated to bringing the world the best of humankind s literature from throughout the ages Carefully selected each work is unabridged from classic works of fiction nonfiction poetry or drama We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To

our Hearts Minds and Actions to Protect our Souls *The Book of Dreams and Ghosts* Andrew Lang, 2019-11-25 In *The Book of Dreams and Ghosts* Andrew Lang crafts a captivating anthology that explores the intersections of the supernatural folklore and the human psyche. Combining rigorous scholarship with vivid storytelling, Lang delves into a plethora of ghost tales and dream interpretations from various cultures, providing a rich tapestry of narratives that evoke both wonder and unease. His distinctive literary style marries a methodical analytical approach with lyrical prose, creating an immersive reading experience. The book situates itself within the burgeoning field of folklore studies in the late 19th century, reflecting a growing fascination with the esoteric and a challenge to rationalist paradigms of the time. Andrew Lang, a Scottish poet and anthropologist, was deeply influenced by his wide-ranging interests in mythology, folklore, and the oral traditions of various cultures. His extensive travels and scholarly pursuits led him to collect and translate numerous tales, infusing *The Book of Dreams and Ghosts* with authentic voices from afar. Lang's background as a member of the literary and academic circles of his era underpins this work's significance, as he sought to bridge the gap between the empirical and the mysterious. This collection is a must-read for enthusiasts of supernatural literature, history, and anthropology. Lang's ability to weave together meticulous research with enthralling narratives invites readers to reflect on the enduring power of dreams and the spectral, urging us to consider the unseen forces that shape our realities. Dive into this thought-provoking exploration to unlock the mysteries that lie between the realms of the living and the spectral. In this enriched edition, we have carefully created added value for your reading experience. A succinct Introduction situates the work's timeless appeal and themes. The Synopsis outlines the central plot, highlighting key developments without spoiling critical twists. A detailed Historical Context immerses you in the era's events and influences that shaped the writing. A thorough Analysis dissects symbols, motifs, and character arcs to unearth underlying meanings. Reflection questions prompt you to engage personally with the work's messages, connecting them to modern life. Hand-picked Memorable Quotes shine a spotlight on moments of literary brilliance. Interactive footnotes clarify unusual references, historical allusions, and archaic phrases for an effortless, more informed read. [Ghosts, Dreams and Strange Places](#) , [The Awakened Dreamer](#) Kala Ambrose, 2017-12-08 What makes this book magical is its wealth of sensible advice on preparing and caring for children and its emphasis on mothers taking care of themselves and honoring their own spirits. Publishers Weekly: Your dreams can be an important part of your decision-making, relationships, and problem-solving if you properly apply them. This easy-to-use book shows how to strengthen the connection between your conscious and unconscious self, helping you achieve your goals and discover valuable insight.  Grunebaum,Roger Caillois,2023-07-28 The study of dreams and their role in human societies particularly within classical
 Islam provides a fascinating lens through which to understand both individual and collective psychology In medieval Islamic
 culture dreams were seen not only as personal experiences but as profound communications from the divine or supernatural
 This belief system imbued the dream with cognitive power often interpreting dreams as forms of prophecy or divine
 messages a view that transcended the individual s inner psyche and extended into the realm of objective truth Dreams were
 considered a bridge to understanding the future the Hereafter and the will of God with scholars like Abdalghani an N bulus
 developing elaborate systems for interpreting their meanings These interpretations drew heavily from religious texts such as
 the Koran and Hadith and offered guidance on a variety of matters ranging from personal conduct to political affairs The
 significance of dreams within classical Islam is also evident in their societal and political implications Dreams were not only
 seen as personal revelations but also as instruments of prophecy often used to predict the death of rulers the success of
 military campaigns or the outcomes of political struggles They were deeply intertwined with religious doctrines with the
 Prophet Muhammad and various saints appearing in dreams to guide or advise key figures in Islamic history These dream
 visions were viewed as essential tools for navigating both the personal and political spheres reinforcing the belief that the
 dream world was closely linked with the divine order The widespread acceptance of dreams as a form of truth is a striking
 contrast to contemporary Western thought where dreams are more commonly seen as reflections of the subconscious mind In
 this sense the historical and cultural context of classical Islam elevated the dream to a status that intertwined it with both
 personal and societal identity suggesting a powerful intersection of religion politics and individual experience This title is
