

CHRISTA KINDE

A woman with blonde hair, wearing a red dress, is kneeling on a wooden floor in a room, facing a large window. She has her hands clasped in prayer. The window is framed by white curtains and shows a bright, hazy landscape with a large cross visible in the distance. The room is dimly lit, with a lamp on a table to the right and a framed picture on the wall to the left. The overall atmosphere is one of quiet reflection and faith.

Hidden Deep Christa J. Kinde, 2013-04-23 Homework, football, apple pies, and angels. Harvest time is in full swing when Prissie Pomeroy learns that something terrible happened in her family's orchard, making it hard to focus on school, especially when her best friends are distant and Ransom won't leave her alone. As she meets other angels, Prissie is drawn increasingly deeper into their world and closer to its dangers. A kidnapped apprentice suffers. A chained door bodes ill. A tiny angel makes a big difference. A battle line is drawn. Everything Prissie thought she knew is about to change again. He was trembling, which frightened Prissie even more than the pitch black. Crouching down, she made herself as small as possible against the tunnel wall. From somewhere in the darkness ahead came a sour note, off key and unpleasant. She held her breath, listening with all her might. A dull clink was followed by a crunching sound that reminded Prissie uneasily of a barn cat eating a mouse. She cupped her hand around her little passenger and curled more tightly, hiding her face on her knees as her heart sent up a silent plea for help from The Hidden Deep. Praise for The Blue Door. A fantasy with a wholesome message and down on the farm twist. Kirkus **Angels in Harmony** Christa J. Kinde, 2013-12-03 An illustrated companion to the Threshold Series by

Gregory F. Mellema, 2021-11-15 Groups of people are commonly said to be collectively responsible for what has happened Sometimes the groups claimed to be responsible are vast in size as when collective responsibility is ascribed to the class of all Americans or the class of all white males In this book the concept of collective responsibility is analyzed It is examined not only in the light of what philosophical proponents such as Cooper Held Bates French Swinburne and May have said about it but a genuine attempt is made to make sense of what ordinary people say about responsibility when it is ascribed to groups of people Accordingly it is distinguished from related concepts such as shared responsibility and moral taint Parallels are examined between the actions of an individual and the actions of a group or collective parallels which seem to make ascriptions of collective responsibility more plausible Some philosophers oppose collective responsibility and argue for an individualist type of position in this regard the positions of Lewis and Sverdlik are critically examined The final chapter contains the author's own position a position which affirms that collective responsibility is possible but which also preserves
