The Barack Obama Report:

The Barack Obama Presidency J. Davis, 2011-11-07 Exploring the promise and peril associated with the opening two years of the presidency of Barack Obama this book is a comparative look at the various aspects of his presidential strategy including the impact of his legislative agenda his use of executive power and the burgeoning disillusionment within the African American community

Historical Dictionary of the Barack Obama Administration Michael J. Pomante II, Scot Schraufnagel, 2018-04-06 Barack Obama the first African American president of the United States In a country with a rich history of racial animosities Obama represents a notable deviation in the trajectory of America's presidential history At the close of his second term in office a survey of the personalities and events associated with his presidency is fitting In this walk through recent history we will be keen to point out the president's successes failures and challenges Governing in a society ripe with ideological and partisan polarization the Obama Administration was surrounded by controversy much of it manufactured by his opponents but salient nonetheless This volume will attempt to provide perspective and clarity on the most important individuals and experiences connected to Obama during his eight years in office but also his early life Information included in this volume also includes discussion of his transition out of office and events taking place at the beginning of the Donald Trump Administration This second edition of *Historical Dictionary of the Barack Obama Administration* contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 300 cross referenced entries on important personalities including the president his advisors his family his opponents and his critics as well as members of Congress military leaders and international leaders This book is an excellent resource for students researchers and anyone wanting to know more about Barack Obama

Barack Obama and the Myth of a Post-Racial America Mark Ledwidge, Kevern Verney, Inderjeet Parmar, 2013-10-08 The 2008 presidential election was celebrated around the world as a seminal moment in U S political and racial history White liberals and other progressives framed the election through the prism of change while previously acknowledged demographic changes were hastily heralded as the dawn of a post racial America However by 2011 much of the post election idealism had dissipated in the wake of an ongoing economic and financial crisis escalating wars in Afghanistan and Libya and the rise of the right wing Tea Party movement By placing Obama in the historical context of U S race relations this volume interrogates the idealized and progressive view of American society advanced by much of the mainstream literature on Obama Barack Obama and the Myth of a Post Racial America takes a careful look at the historical cultural and political dimensions of race in the United States using an interdisciplinary analysis that incorporates approaches from history political science and sociology Each chapter addresses controversial issues such as whether Obama can be considered an African American president whether his presidency actually delivered the kind of deep rooted changes that were initially prophesised and whether Obama has abandoned his core African American constituency in favour of projecting a race neutral approach designed to maintain

centrist support Through cutting edge critically informed and cross disciplinary analyses this collection directly addresses the dimensions of race in American society through the lens of Obama s election and presidency [The Teleological Discourse of Barack Obama](#) Richard W. Leeman,2012-05-11 The Teleological Discourse of Barack Obama by Richard Leeman provides an in depth analysis of President Barack Obama s speeches and writings to explain the power of the 44th president s speaking This book argues that from his earliest writings through his latest presidential speeches Obama has described the world through a teleological lens Teleology is the philosophy of discovering in the essential nature of humans or countries the telos or ideal towards which one should progress Obama consistently portrays freedom and equality as essential to human nature and the American spirit Understanding his discourse as teleological helps explain the inspirational and philosophical nature of his rhetoric as well as his famous patience perceiving progress where others become frustrated Teleological discourse is ancient with its roots in philosophies such as Aristotle s Nicomachean Ethics and Christian theology and its handprints evident in Lincoln s Gettysburg Address In order to discover the roots of Obama s teleological perspective Leeman also examines the speeches of presidents Franklin Roosevelt John F Kennedy and Ronald Reagan as well as the civil rights discourse of Martin Luther King Jr Frederick Douglass and W E B Du Bois Although the roots of his teleological discourse run deep President Obama s particular use of the philosophy is very modern The Teleological Discourse of Barack Obama is an essential contribution to the study of American politics and political rhetoric Watch the author discuss the book [here](#) *The Economic Report of the President 2010* The President of the United States,Council The Council of Economic Advisers,2010-01-01 The report elegantly reframes much of Mr Obama s domestic agenda as microeconomic nudges in the direction of this overall macroeconomic rebalancing The EconomistBarack Obama took the Oval Office amidst an economic downturn deeper and more painful than any the United States has known in generations How will the President direct the rescuing and rebuilding of the U S economy in the wake of the Great Recession What are the long term fiscal challenges the U S faces How can we reform health care without breaking the bank What precautions can we take to prevent another similar collapse from occurring again in the future Each year the Chair of the Council of Economic Advisers prepares a report presenting the Administration s domestic and international economic policies The 2010 edition may be the most important such report in recent decades as it lays out the blueprint for recovery that will impact all Americans regardless of economic status It is essential reading for anyone who wishes to understand the ongoing financial crisis and its potential solutions

Assessing Barack Obama's Africa Policy Abdul Karim Bangura,2014-12-16 This book contains critical analyses of President Barack Obama s foreign policy instruments toward Africa and suggests how to continue strengthen and modify these policy instruments The examination begins with the theme of policy continuity and change followed by those on military intervention competition and perceived threats crisis management politics economic development and social policy Each chapter starts with an introduction of the policy instrument provides an analysis of the instrument and concludes with

suggestions This book presents the objectives for vibrant and lasting relations between Africa and the United States and the concrete measures to achieve them The Scandalous Presidency of Barack Obama Matt Margolis,2018-04-03 I m proud of the fact that we re probably the first administration in modern history that hasn t had a major scandal in the White House So President Barack Obama boldly declared before leaving office and numerous times since But is it true Not according to Matt Margolis bestselling co author of *The Worst President in History The Legacy of Barack Obama* Margolis lays out the details of literally dozens of Obama administration scandals that have been ignored downplayed or covered up by the mainstream media From Fast and Furious to the illegal IRS targeting of conservative groups to the recent NSA spying outrage Margolis makes a powerful case that the Obama years represented nearly a decade of lawless and abusive governance While Obama and his allies attempt to spin the narrative that his presidency represented a time of pristine politics it s critically important that Americans understand the truth Barack Obama brought to Washington corrupt Chicago machine politics of cronyism and corporate payoffs combined with audacious Alinskyite tactics aimed at dividing Americans and destroying his opponents Obama s legacy will be discussed and debated for decades But in the early months after he left office more scandals have been uncovered most notably an illegal scheme of using the NSA to spy on his political opponents and the frightening decision to block the prosecution of Iranian backed terrorists Far from being a virtuous New Camelot the Obama administration abused its power like few others

In Defense of the Constitution: Ending America's Occupation Reg. B. Two Stones,2014-03-20 I want my readers to note the Preamble is the thesis statement tells the reader who this process descriptive and expository essay was written for of the US Constitution So according to the rules of English grammar any time in the constitution a pronoun like people persons them they or their for example is used English grammar rules say these pronouns are referring back to America s citizens which is what it says in the Preamble the topic of the Constitution If you understand this rule when we read Section 1 of the 14th Amendment we should understand that when the pronoun persons is used in this sentence this pronoun is referring to America s citizens and no other citizens from other countries because of the rules of the use of pronouns Here is how Section 1 of the 14th Amendment would read when the pronoun is taken out and the proper noun subject or thesis of the Constitution Americans or American is used to replace the pronouns All Americans born or naturalized in the United States and subject to

jurisdiction thereof are citizens of the United States and of the state wherein they reside No state shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States nor shall any state deprive any American of life liberty or prosperity without due process of law nor deny to any American within its jurisdiction the equal protection of the laws Now that you are reading Section 1 of the 14th Amendment the way it would read if the pronouns are replaced by the proper noun that replaces these pronouns I hope my fellow Americans can see that this sentence in no way offers automatic US citizenship to any illegal child that is born on US soil to illegal parents that are in America without permission
