

# The Basics of Taxes Note Taking Guide

**Q1 answer:** How that principle goes down from your bank notes during the process

## What's your tax rate?

**What are taxes?**

A sum of money (usually a percentage of your income) that you must pay to the government to help fund public services and infrastructure.

Amount paid by taxpayers. Most are levied on income, but there are also taxes on property, consumption, and other activities.

## How do you benefit from the taxes you pay?

The answer is that taxes go to the government, which then uses them to provide public services and infrastructure that benefit you.

**What is a community?**

A group of people who live in the same area and share common interests and concerns.

**What are taxes used for?**

To fund public services and infrastructure, such as schools, roads, and police.

**What are benefits of being a part of a community?**

People who live in the same area can share resources, support each other, and work together to improve the community.

Taxes are a way for the government to raise money to provide public services and infrastructure. The government uses the money to fund schools, roads, and other public services that benefit the community.
