The ^AOxford Handbook of the Book of Revelation Craig Koester, 2020-06-12 The Book of Revelation holds a special fascination for both scholars and the general public The book has generated widely differing interpretations yet Revelation has surprisingly not been the focus of many single volume reference works The Oxford Handbook of the Book of Revelation fills a need in the study of this controversial book

Understanding the Book of Revelation Terri Lewis, 2010-09 Understanding the Book of Revelation is an exposition of the Book of Revelation simply written explaining the main symbols according to the findings of most scholars on each topic It is not weighted down with speculation and fringe concepts but defines the meanings that are most often held by Biblical scholars This book takes you step by step through the Book of Revelation expounding on each issue so that you can uncover for yourself what will happen during these exciting times It will tell you if the perspective is from heaven or earth if the event is mentioned chronologically or if something yet in the future is being explained No longer do you have to be intimidated by the Book of Revelation Now you can enjoy the blessings promised to those who read and hear its message This is a book for people of all ages and denominations who are interested in understanding the Book of Revelation Dr Terri Lewis began seriously studying God s Word after she attended many hours of home Bible studies in the 70 s and 80 s and still desired more Delving deeper into the Word alone and with friends and attending college Bible courses whenever they were available she realized her passion for God s Word Terri taught Bible in the Christian Schools where she worked and later received a Doctorate Degree in Christian Education

The Revelation of Revelation Brooke Folk, Ken Vernon, 2015-03-24 The Revelation of Revelation is a story never told before now because it wasn t to be told until now according to scriptures It didn t happen in a vision not in a sudden rush of a mighty wind but instead a gentle but profound inspiration

Four Views on the Book of Revelation C. Marvin Pate, 1998 Of all the books of the Bible few are as fascinating or as intimidating as Revelation Four grim horsemen the Antichrist the ten horned beast the ultimate battle at Armageddon the mark of the beast It s no wonder that these images have gripped the imagination of so many and have been variously interpreted as symbolizing everything from Hitler and Gorbachev to credit cards and the Internet Is the book of Revelation a blueprint for the future A book of powerful symbolic imagery with warnings for the church Is it essentially an imaginative depiction of historical events in the first century Four Views on the Book of Revelation explores four interpretations of the book of the Apocalypse Preterist

a historical interpretation arguing that most of John's prophecies occurred in the first century soon after his writing of them
Idealist a spiritual or symbolic interpretation arguing that the events in Revelation are not literal and that apocalyptic literature requires a different approach than the Gospels or Epistles
Classical dispensationalism a literal interpretation based on a reading of Revelation that pays close attention to the rules of grammar and the separate eras of covenantal history
Progressive dispensationalism a modification of classical that has its root in the understanding of Christ's reign beginning immediately after the resurrection
The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

You Can Understand the Book of Revelation Jeff Scoggins, 2013 Some Christians say Revelation is a closed book and not meant for human understanding Actually the word revelation means unveiling and the first chapter of Revelation promises a blessing to all who read and take it to heart Other readers study Revelation over and over but end up confused about all the beasts scrolls trumpets and angels The truth is that Revelation is the story of Jesus Christ from beginning to end and we need to understand the plot of that story before sorting out the details A few preachers even use the newspaper to interpret Revelation equating each symbol with a specific event in yesterday's news Actually Revelation is best interpreted using the Bible itself You can learn to understand prophecy for yourself all you need is a safe method of Bible study and the guidance of the Holy Spirit Once you grasp the basic method we'll use those tools to walk through the central portion of Revelation which deals with earth's final crisis just before the second coming of Jesus You may have to re think everything you thought you knew about interpreting prophecy but you'll know that you stand on the firm footing of God's word Open your Bible and join us for the journey

The Time Is at Hand! Desmond Ford, 2010-01-12 For nearly 2 000 years the book of Revelation has been viewed as the most difficult book in the Bible The hundreds of commentaries in the Library of Congress testify that there is no unanimity about the meaning of the symbols of Revelation And yet this is the only book in the Bible where a special blessing is pronounced on its readers Its a book from Jesus Christ about himself his gospel the future and what will happen to the saints at the end of time Desmond Ford's Introduction to the Book of Revelation is the fruit of decades of study plus research at the University of Manchester under Professor F F Bruce Ford offers a much neglected key this sacred book can only be unlocked by understanding the preceding 65 books of the Bible and in particular the life teachings and death of Jesus The main message of Revelation is that the church is to repeat the experience of its Lord After its final proclamation of the gospel it will be condemned to martyrdom And this climactic sin of the world will precipitate the return of Christ in glory

Wierschke,2020-08-31 Many mistakenly believe that Revelation is the most mysterious and hard to understand book of the Bible On the contrary a special blessing is promised to anyone who reads or anyone who hears the words of this prophecy Because many people in John s time could not read or write a scribe priest or someone else who could read would read scriptures out loud for the benefit of others In A Layman s Guide to the Book of Revelation author Reverend Fredrick A Wierschke offers an easy to understand interpretation of this book in the Bible Following the lead of the Holy Spirit Wierschke analyzes the scriptures verse by verse presenting in depth and thorough insight into this often misunderstood book Charts and note taking space are included **The Book of Revelation: a New Beginning** Terry L Newbegin,2011-03-23 The Book of Revelation A New Beginning contains the hidden secrets of Saint Johns Revelation and as you know it is one of the most debated and most difficult books of all the scriptures to read and understand because of the extreme symbolism tied to it Man has always assumed the word of Gods prophets and their stories were indisputable just because of their eminence in interpreted them as being true Man has forgotten the history of himself Earth God the origin of the universe and how the scriptures have been documented interpreted and strictly passed down by our ancestors and religious leaders As symbolic as Revelation is it has nothing to do with the end days or even about a solitary Anti Christ as we understand it nor is it about Jesus coming to save you In truth Saint Johns Revelation is your own guide showing you that you no longer need to look at yourself as a sinner because you have bared your cross like Jesus and now the time has come for you to ascend to a higher state of Mind The book of Revelation A New Beginning is a book that will help open the gates of your soul memories so you can become aware of your own divineness and that you are a God too My fellow Gods what is

coming to an end is the old ways of perceiving and understanding God It is not that God is a mystery It is you that is the mystery and when fear is resolved within you are then ready to open up to the hidden secrets behind the Book of Revelation that religions have kept as a secret for thousands of years either on purpose or because of ignorance **The Book of Revelation** ,2011-10-27 History is littered with those who have prophesied the end of the world but there can be only one prophecy and the time has come for us to truly understand it The book of Revelation perhaps the most misunderstood scriptural text contains the key to our hope and salvation when the end of days arrives With the stunning evidence discovered during his exhaustive twenty year study of Scripture which included Greek Hebrew and Latin primary texts author Timothy R Mungovan presents The Book of Revelation A Complete and Precise Understanding a biblical expos containing everything Christians must know about the second coming of Jesus Christ Mungovans compelling research driven commentary details every element and event leading up to and following the battle of Armageddon including proof of the latest possible year for the beginning of the tribulation the true character of the Antichrist the four horsemen accurately identified the seven trumpets events and their true meaning and consequence the history and fallacy of rapture theory Gods purpose for the millennial age the fallen angels and their literal offspring shocking photographic proof of the bottomless pit inside the earth a complete quick reference to the events of tribulation a primary list of key biblical metaphors The approaching great tribulation will overtake mankind and dramatically alter world politics economics and society as we know them today Only through faith and understanding can we hope to survive the Antichrist and the armies of Satan and live on into the world that is to come A Brief Theology of Revelation Colin E. Gunton,2005-07-15 Professor Gunton asks whether there is more to be said for the motion of Christianity as a revealed religion than some of the more simplified recent treatments allow He analyses the concept of revelation illustrating its importance for understanding even beyond religious purposes He contends that natural theology and natural revelation are distinct categories and examines why they are so often confused He considers revelation in relation to scripture and tradition and the nature of inspiration The Book of Revelation Timothy Beal,2018-10-23 The life and times of the New Testament s most mystifying and incendiary book Few biblical books have been as revered and reviled as Revelation Many hail it as the pinnacle of prophetic vision the cornerstone of the biblical canon and for those with eyes to see the key to understanding the past present and future Others denounce it as the work of a disturbed individual whose horrific dreams of inhumane violence should never have been allowed into the Bible Timothy Beal provides a concise cultural history of Revelation and the apocalyptic imaginations it has fueled Taking readers from the book s composition amid the Christian persecutions of first century Rome to its enduring influence today in popular culture media and visual art Beal explores the often wildly contradictory lives of this sometimes horrifying sometimes inspiring biblical vision He shows how such figures as Augustine and Hildegard of Bingen made Revelation central to their own mystical worldviews and how thanks to the vivid works of art it inspired the book remained popular even as it was denounced

by later church leaders such as Martin Luther. Attributed to a mysterious prophet identified only as John, Revelation speaks with a voice unlike any other in the Bible. Beal demonstrates how the book is a multimedia constellation of stories and images that mutate and evolve as they take hold in new contexts and how Revelation is reinvented in the hearts and minds of each new generation. This succinct book traces how Revelation continues to inspire new diagrams of history, new fantasies of rapture and new nightmares of being left behind. An Exposition of the Book of Revelation Odell Furtick Jr., 2018-03-23

Odell Furtick begins this exposition by saying, "Do you believe? It's a question that everyone must answer personally. It's been over two thousand years since anyone has seen Jesus on earth after his ascension, and now the believers are told to wait for his return. Has humanity grown weary in their belief and lost faith in the promises of God?" Dr. Furtick leads his readers through the book of Revelation verse by verse, reassuring the readers that God's final words are reliable and precise. The book of Revelation is one of the most neglected books in the Bible because of fear and lack of comprehension of its apocalyptic writings and prophetic symbols. This book brings to life a concise knowledge of the mysteries of God concealed in the Old Testament and revealed in the Revelation of Jesus Christ. The book of Revelation is relevant in the twenty-first century, and the world should believe the testimony of the apostle John and believe all the sayings written in the Word of God.

Revelation, the Novel William C. Carson, 2014-08-18

The book of Revelation is one of the most well-known and least understood entries in the Bible. For centuries, its thick text and complex imagery has perplexed the common man as well as seasoned biblical scholars, and through no fault of their own, most people have failed to recognize, let alone appreciate its underlying message. *Revelation the Novel* carries the ancient words of Revelation into contemporary times and places, apocalyptic events and considerations into our modern political and social frameworks. In so doing, it is sure to educate and enlighten Christian thinkers as well as entertain any and all who read it, despite their religious affiliation. At the bottom line, beneath the fresh insight it brings, *Revelation the Novel* is an enthralling and entirely thrilling piece of fiction that explores what's slated to happen at the end of the world as we know it, as told from the viewpoints of the Apostle John and the Antichrist. A fearsome yet hopeful tome, it's a must-read for fans of horror, dystopian, and disaster fiction. *The Book of Revelation* Clarence Larkin, 2007-12-01

The Reverend Clarence Larkin was one of the most widely influential thinkers on end-times prophecies of the early twentieth century, and his writings remain vital to appreciating the apocalyptic Christian thought that today enjoys widespread popularity. This 1919 book serves as a study guide for the Book of Revelation, the Bible's prophetic final chapter. Larkin explains the concepts of the Beast and the False Prophet, the Seven Seals, and the Seven Trumpets, and the importance of the Book of Daniel in understanding the Rapture. Charts and illustrations depict the Pale Horse Rider, Daniel's Four Wild Beasts, Egyptian Plagues, and more. Also available from Cosimo Classics. Larkin's *The Spirit World*, *Rightly Dividing the Word*, and *The Second Coming of Christ*. American Baptist pastor and author. CLARENCE LARKIN 1850-1924 was born in Pennsylvania and later set up his ministry there. He wrote extensively and
