The Enigma of Loch Ness Henry H. Bauer, 2012-05-11 Like UFO s Big Foot and the Bermuda Triangle the Loch Ness monster continues to fascinate us by the persistence of its mystery While many authors have focused upon the search for Nessie Bauer is the first to present a detailed and balanced look at the history of the controversy surrounding this search Bauer is much more concerned with examining the sociological psychological and philosophical aspects of the Loch Ness controversy than with proving or disproving Nessie s existence He shows that the Nessie phenomenon has much to tell us about how we acquire our beliefs about the nature of the scientific enterprise and about the adversarial relationship between mainstream science and fringe subjects such as Nessie The result of more than a decade of research Bauer s study includes both famous and little known photos and illustrations the most complete bibliography yet compiled on the subject and a list of close to 800 reported sightings Whether you believe in Nessie or laugh at the mere thought of believing you ll find *The Enigma of Loch Ness* both entertaining and enlightening
