The Ancient Book of Jasher A Bible Book, 2018-07-19 The Book of Jasher is twice mentioned in the Bible In order to distinguish this work from the Pseudo Jasher it carries the title The Ancient Book of Jasher The transcript has been carried out faithfully except for a number of minor amendments It is a shame that in most publications of the Book of Jasher the supportive documents that prove its origin are missing as if evidence that testifies to its veracity is difficult to bear But here they are What is new is a division in sections which makes easy reading You ll find a good Analytical Index and that s always helpful The preliminary remarks made by the present publisher gives a better feel about the authenticity of this truly amazing book that by the way is still being printed in the original Hebrew in a mode of writing that carries the patina of its age

The Book of Jasher (Book of the Just, Sefer Hayashar) Edward Hammond, 2011-09-01 There was no person by the name of Jasher The name The Book of Jasher is an English translation of the Hebrew title Sefer haYashar which means The Book of the Just The Book of Jasher it is not divine Scripture However it is an ancient work which is valuable for the history of Biblical times The Book of Jasher covers the material found in Genesis Exodus Numbers Deuteronomy and Joshua yet provides significant additional historical information and goes into great detail about the life and times of Joseph The Book of Jasher is mentioned twice in

the Bible 2 Samuel 2 18 He instructed that the people should be taught the bow Look This is written in the Book of Jasher Book of the Just Joshua 10 13 The Sun stood still and the Moon stayed until the people had avenged themselves on their enemies This is recorded in the Book of Jasher Book of the Just 2 Timothy 3 8 states And just as Jannes and Jambres opposed Moses so these men who have distorted minds and are disqualified in the faith also oppose the truth Jannes and Jambres are mentioned in the Book of Jasher as the magicians who opposed Moses in the presence of Pharaoh However Jannes and Jambres are not mentioned elsewhere in the Bible The Book of Jasher is accepted as authentic by some scholars of The Latter Day Saints The Book of Jasher ,1969 The Book of Jasher Various Authors,Moses Samuel,2014-09-07 The Book of Jasher also Jashar or Book of the Just Man is an unknown book mentioned in the Hebrew Bible The translation Book of the Just Man is the traditional Greek and Latin translation while the transliterated form Jasher is found in the King James Bible 1611 he book appears to be referenced from around the reign of David 2 Samuel 1 18 states To teach the Sons of Judah the use of the bow behold it is written in the Book of the Upright David s lament for Jonathan immediately follows The King James Version of the English Bible has the phrase the use of in italics showing that it is material the translator s added in order to render the original text into what they considered understandable and comfortable English Other versions such as the English Standard Version indicate that what David taught the people was The Bow that is a poetic lament regarding the death of Saul and Jonathan If the interpretation offered in the ESV footnote is to be accepted then The Bow is a lament or a tune that was at the time of the composition of the Book of Samuel also included in the extra canonical Book of Jashar The Book of Jashar is also mentioned in the Biblical Book of Joshua amid the descriptions of Joshua s military exploits in the land of Canaan specifically after Adoni zedek king of Jerusalem and his allies attacked Gibeon for allying themselves with Israel and Joshua and the Israelites came to Gibeon s aid Joshua 9 10 When YHWH gave the Amorites over to the sons of Israel Joshua told the sun to stand still over Gibeon and the moon to stand still over Valley of Aijalon Josh 9 12 Then the Book of Joshua 10 13 states And the Sun stood still and the Moon stayed until the people had avenged themselves on their enemies Is this not written in the Book of the Upright The presence of this event in a book of poetry has been interpreted as a poetic description of the prolonged battle Some think the reference to the Book of Jashar was inserted because Joshua wanted to show to those who disbelieved the event that others besides himself accepted it and recorded it thus authenticating the event The Septuagint translation renders sefer hayashar in both cases as Book of the Just The reference to the bow is here missing so that the text reads And he gave orders to teach it the sons of Iouda behold it is written in the Book of the Just According to the Medieval Jewish scholar Rashi Sefer HaYashar refers to the Pentateuch as a fulfillment of Jacob s prophecy regarding Ephraim His seed will fill the nations Gen 48 19 and that this prophecy refers to Joshua s renown after the miracle of the standing of the sun **Book of Jasher** Mordecai Manuel Noah,2018-10-16 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the

The Book of Jasher Jospeh Hyrum Parry,2023-09-02

The ever memorable events and transactions recorded in Scripture are with many others of the most interesting nature comprehended in the Book of Jasher and they are all arrayed in that style of simple unadorned majesty and precision which so peculiarly distinguishes the genius of the Hebrew language The book of Jasher is a venerable monument of antiquity It contains a treasure of information

concerning those early times upon which the histories of other nations are either silent or cast not a single ray of real light and the translator was more especially delighted to find that the evidence of the whole of its contents went to illustrate and confirm the great and inestimable truths which are recorded in divine history down to a few years later than the death of Joshua at which period the book closes In this extraordinary book the reader will meet with models of the most sublime virtue devotion and magnanimity that cannot fail to raise his admiration and at the same time to excite a generous feeling of emulation to follow the glorious examples set before him This new edition comes with a beautiful Easy to Read layout which makes reading comfortable

Book of Jasher Anonymous,2022-05-29 The Book of Jasher an intriguing ancient text that purportedly serves as a biblical apocryphon recounts narratives from the Hebrew Bible but with expanded details and context Written in a style that weaves together poetic elements and historical prose the book explores familiar stories such as the creation the patriarchs and the Exodus Its literary context positions it among other ancient texts that seek to offer alternative interpretations enriching the reader's understanding of the cultural and religious milieu of the time while also embodying the oral traditions that predate its likely compilation in the medieval era The authorship of the Book of Jasher remains shrouded in mystery as the text is attributed to the prophet Jasher yet historians suggest it may have been composed by an anonymous scribe drawing from a mosaic of earlier sources This enigmatic nature mirrors the complexities of the cultural and religious identities during the time it was produced potentially influenced by the flourishing Jewish tradition of exegesis and story telling that aimed to preserve sacred history amid contemporary upheavals The Book of Jasher is a compelling read for anyone interested in biblical history literature or the evolution of religious narratives Its rich textual tapestry not only complements the scriptural canon but also invites readers to ponder the deeper themes of faith morality and the human experience within the divine narrative

The Book of Jasher J. H. Parry,2005-12-01 But in the latter days of Methuselah the sons of men turned from the Lord they corrupted the earth they robbed and plundered each other and they rebelled against God and they transgressed and they corrupted their ways and would not hearken to the voice of Methuselah but
