in the Book of Job In addition Romance of the Hebrew Calendar contains individual sections for each chapter relating to the jewels of the high priest s ephod their colours and their inherent connection with the twelve tribes of Israel The combined messages contained within the biblical feasts the mazzaroth and the jewels of the high priest s ephod converge to form a unified declaration of God s love revealed in Yeshua Ha Meshiach that will capture your imagination and attention This book is beautifully written easy to read and contains many insights and revelations that are interwoven and presented to make it a treasure to adorn every bookshelf

Anatomy of the Heavens John Klein,2013-04 A discussion of the zodiac from a biblical perspective

Once a Christian Wayne Talbot,2017-07-11 You worship what you do not know we know what we worship for salvation is of the Jews But the hour is coming and now is when the true worshippers will worship the Father in spirit and truth for the Father is seeking such to worship Him God is Spirit and those who worship Him must worship in spirit and truth John 4 22-24 Jesus spoke these words to a Samaritan woman but the author believes that they should be directed to Christians of all denominations Jesus preceded these words by stating that the hour is coming when you will neither on this mountain nor in Jerusalem worship the Father Central to the prophecies is a return to Jerusalem from where the Father will be worshipped forever Why would Jesus contradict the Father Contradictions such as these were largely responsible for the author doubting the authenticity of the texts or if the texts are authentic then one must doubt the claims of Jesus being the prophesied Messiah There were two key issues that the author sought to resolve separately 1 Does Christianity truly follow the footsteps of Jesus of Nazareth or did Rome invent its own Jesus a man who never was and 2 Was Jesus the prophesied Jewish mashiach of the kingly line of David Other contentious issues would resolve from those two Resulting from wide ranging research the author concluded that neither Christian precept was true Believing in God and walking away from Christianity was his only choice

The Throne Motif in the Book of Revelation Laszlo Gallusz,2013-12-05 This book argues that the throne motif constitutes the major interpretive key to the complex structure and theology of the book of Revelation In the first part of the book Gallusz examines the throne motif in the Old Testament Jewish literature and Graeco Roman sources He moves on to devote significant attention to the throne of God texts of Revelation and particularly to the analysis of the throne room vision chs 4 5 which is foundational for the development of the throne motif Gallusz reveals how Revelation utilizes the throne motif as the central principle for conveying a theological message since it appears as the focus of the

author from the outset to the climax of the drama The book concludes with an investigation into the rhetorical impact of the motif and its contribution to the theology of Revelation Gallusz finally shows that the throne what it actually represents is of critical significance both to Revelation's theism and to God's dealing with the problem of evil in the course of human history

The Victorious Kingdom Richard Booker, 2013-01-15 Victory not gloom and doom Understanding the Book of Revelation for Today The Book of Revelation is not a book of doom and gloom but rather the story of victory of the Lamb of God and those who follow Him In this third book in a groundbreaking series Dr Richard Booker explains John's vision within its original historical literary and biblical context

Written in Dr Booker's usual clear style *The Victorious Kingdom* is powerful prophetic practical and personal ideal for individual or group study *The Victorious Kingdom* shares fresh perspectives that include Reading Revelation within the context of its biblical Jewish roots Learning the historical and spiritual background of the seven churches congregations Learning the influence of Greek mythology and Roman imperial cult worship Understanding the Book of Revelation is a three volume series that helps you see the future by examining the past Volume 1 *The Overcomers* Volume 2 *The Lamb and the Seven Sealed Scroll* and Volume 3 *The Victorious Kingdom* *Revelation's Great Love Story* Larry L. Lichtenwalter, 2008 The Book of Revelation The Apocalypse Words that often call to mind bizarre creatures strange seals dreadful plagues and a slew of other mystifying symbols Most of us approach this last book of the Bible with forebodings rather than hope To us John's vision seems more like a nightmare But the elderly apostle begins with a statement that doesn't seem to fit the rest of the book The revelation of Jesus Christ Apparently he intends to unveil something tremendously important about Jesus Something life changing Something we can't afford to miss Larry Lichtenwalter explores a side of Revelation seldom portrayed Christ's passionate love for humanity This recurring theme subtly appears in the imagery and symbolism throughout John's vision The slain Lamb The divine protective sealing The blood bleached white robes The heart wrenching prayer of the saints Without Christ's love these scenes and symbols would mean nothing Ultimately John's vision reveals the extraordinary love of our Savior for His rebellious undeserving children and the incredible reasons we can love Him in return

Israel, the Church, and Millenarianism Steven D. Aguzzi, 2017-07-28 Since the calls of the Second Vatican Council Roman Catholic theologians have sought to overcome an overarching problem facing Jewish Christian relations the concept of supersessionism the idea that God has revoked the spiritual and historical promises made to the Jewish people in favour of granting those same privileges to a predominantly Gentile Church Israel the Church and Millenarianism breaks new ground by applying an ancient principle to the problem of Israel's replacement the early Church's promotion of millennialism Utilizing the best in Patristic research Aguzzi argues that these earliest Christian traditions made room for the future of Israel because Christ's reign in the Church was viewed as provisional to his historical reign on earth Israel's role in salvation history was and is not yet complete Aguzzi's research also opens the door for a greater Catholic understanding of the millennial principle not shying away from its validity and relevance for understanding the importance of safeguarding Jewish particularity while concluding that the Synagogue and the Church are indeed on a parallel trajectory what will their Israel's acceptance be but life from the dead Romans 11:15 Ultimately the divine will is fulfilled through both Christian and Jewish means in history while each community is dependent in different ways upon the unfolding of God's future and the coming Parousia of Christ *Spes Christiana* 2020-02 Reinder Bruinsma, 2021-01-12 *Spes Christiana* is the journal of the European Adventist Society of Theology and Religious Studies EASTRS It contains articles from all subdisciplines of theology Biblical Studies Church History Systematic Theology Practical Theology and Mission Studies as well as auxiliary disciplines Major
