The Cat's Pajamas & Witch's Milk Peter De Vries,1969 *The Cat's Pajamas & Witch's Milk* Peter De Vries,1969

The Cat's Pajamas and Witch's Milk Peter De Vries,2014-10-21 Twin tales of middle class hilarity and despair from the writer who was dubbed America's preeminent comic novelist by the New York Times When college professor Hank Tattersall sees his former flame Lucy Stiles at a campus concert it sets off a chain reaction that results in one of the funniest and most unforgettable exit scenes in American literature involving a locked door an alcoholic dog and a punning doppelgänger The Cat's Pajamas is the story of how Tattersall a scrupulous self reflector falls from point A to point Z rushing through a host of identities and indignities along the way The unexamined life may not be worth living he discovers but the examined one is hardly a bed of roses In *Witch's Milk* Tillie Seltzer has her own trials to attend to Chief among them is her marriage to Pete the kind of guy who tucks a cigarette behind his ear and calls everybody Frisbee When they first met Tillie had more sophisticated tastes dark strangers homburg hats but she was also a thirtysomething virgin whose prospects weren't getting any better When she cracked a joke about the honeymoon being over Pete believed her Now stuck in suburbia with a sick child and a philandering husband Tillie takes a hard look in the rearview mirror Her search for an escape route will lead her to the most unexpected place of all These short novels are linked by Tillie's cameo appearance in Hank's narrative and by the thrilling blend of satire tragedy and philosophy that defines the one of a kind fiction of Peter De Vries **LIFE**, 1968-12-13

LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE.com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today's people and events They have free access to share print and post images for personal use **The Tents of**

Wickedness Peter De Vries,2014-10-21 A masterwork of literary parody about a suburban Samaritan and the poet he seeks to inspire After the wild adventures of *Comfort Me with Apples* Chick Swallow has found domestic peace in Decency Connecticut accepting his fate as a middle class husband and father and the author of an advice column in the local newspaper His hard won contentment is about to disappear like warm water down a bathtub drain however when fate intervenes to reunite our hero with Sweetie Appleyard a childhood playmate with whom he once shared an intimate moment in a coal bin All these years later Sweetie is just as devoted to art and allergic to the real world as she always was In an effort to bring Sweetie out of her treehouse and urge her on with her life Chick helps to get a book of her poetry published But his plan backfires hilariously when Sweetie with stunning alacrity becomes the toast of Greenwich Village tires of the up all night bohemian life and decides that she wants to be a mother For the father she has two possibilities in mind her literary patron or his brother in law Nickie Sherman To save his sister's marriage Chick will risk his own and pray that for once he can keep everything under control With a stylistic ingenuity unmatched in modern American fiction De Vries parodies a dozen different writers in this boisterous tale of New England angst William Faulkner Theodore Dreiser F Scott Fitzgerald

Marcel Proust Emily Dickinson and Dylan Thomas all make uproarious appearances in *The Tents of Wickedness* as it gleefully skewers pretensions of every stripe **Let Me Count the Ways** Peter De Vries, 2014-10-21 The sins of the father are hilariously visited on the son in this witty and profound novel about the meaning of it all Stanley Waltz is a Polish American piano mover and pugnacious atheist married to a born again believer His heroes are H L Mencken and Clarence Darrow and if he confuses illusion with allusion and thinks a certain style of egg is bedeviled that does not mean his reasoning is any less sound Unfortunately his wife is immune to his intellect and insists not just on saving his soul but on taking their son Tom to the local gospel mission every chance she gets It is enough to drive a man into the arms of a mistress funny as a crutch and twice as perceptive and that is exactly where Stan goes This leaves Tom twice as mixed up as the average son In the second section of this side splitting and thought provoking comedy he is a professor of English at the local college his questions about faith doubt and morality as unresolved as they are inescapable As an undergraduate he stumbled from girl to girl breaking up with one because she was a nonbeliever another because she was too pious His marriage to a beautiful professor of comparative religion is no solution In short order he has an affair breaks his leg leads a funeral procession hopelessly astray and suffers a nervous breakdown Only a miracle can save him if he can figure out what one might look like Stanley and Tom Waltz are a father son duo unlike any other and *Let Me Count the Ways* is Peter De Vries at his insightful brilliant lightning witted best **Comfort Me with Apples** Peter De Vries, 2014-10-21 A laugh out loud novel about teenage pretensions and adult delusions from an author whom the New York Times has called a Balzac of the station wagon set Chick Swallow and his best friend Nickie Sherman are teenage boulevardiers of Decency Connecticut devotees of Oscar Wilde who spend their evenings crafting perverse aphorisms in an ice cream parlor There is only one thing worse than not having children opines Chick and that is having them Unrepentant aesthetes someday soon they will be in Paris or New York far removed from the mainstream Then the unthinkable happens Marriage Family Dinner parties For Chick a job at the local newspaper writing an advice column punctuated by blandly inspirational Pepigrams To turn stumbling blocks into stepping stones pick up your feet For Nickie an unlikely career in law enforcement But just when it seems that their lives have settled down before they could even begin Chick begins an affair with Mrs Thicknesse a newspaper music critic of ample girth and means and a whole brouhaha breaks loose blackmail forgery secret sleuthing lawsuits There is drama in suburbia after all and Chick and Nickie are up to their necks in it A wild witty tale of friendship marriage and infidelity *Comfort Me with Apples* is full of the brilliant wordplay and delicious ironies that made Peter de Vries one of the best comic novelists that America has ever produced *Commentary Beyond the Margins* Linda A. Bell, 2012-02-01 Presenting essays rich with her own personal experiences philosopher Linda A Bell examines not only her own life but also problems arising from ways that living affects thinking She reflects on her own experience in order to challenge a variety of provocative claims including that affirmative action harms those it is designed to help that suicide while perhaps acceptable for some with fatal diseases is
