incorrigible Smooth suave and egotistical he s a danger to any woman who comes within viewing distance Lady killer That s an understatement And it doesn t help that he s a Castillo Known for their bold and dominant nature they never know when to take no for an answer But when Julio decides he wants his old flame back he finds that the tables are turned and he s the one fighting for a foothold Maya Malone once reserved and easy going has blossomed into a determined woman who knows how to take control And before Julio knows what s happening she s the one in charge This time it s the fairer sex that s calling the shots

For-Profit Philanthropy Dana Brakman Reiser, Steven A. Dean, 2023-01-03 Elite philanthropy has produced countless essential features of modern life Today for profit philanthropic innovations like donor advised funds threaten its future In *For Profit Philanthropy* Dana Brakman Reiser and Steven A Dean reveal that philanthropy law has operated as strategic compromise binding ordinary Americans and elites together in a common purpose The authors start with an overview of the size and role of the philanthropic sector in the United States and then discuss changes in the regulatory environment that has facilitated new forms of philanthropic organizations Private ordering targeted regulation or a new strategic bargain could strike a modern balance preserving the benefits of the Grand Bargain s partnership between the modest and the mighty and this book offers a detailed roadmap to show how it can be accomplished

The Case Against Free Speech PE Moskowitz, 2019-08-13 A hard hitting expose that shines a light on the powerful conservative forces that have waged a multi decade battle to hijack the meaning of free speech and how we can reclaim it There s a critical debate taking place over one of our most treasured rights free speech We argue about whether it s at risk whether college students fear it whether neo Nazis deserve it and whether the government is adequately upholding it But as P E Moskowitz provocatively shows in *The Case Against Free Speech* the term has been defined and redefined to suit those in power and in recent years it has been captured by the Right to push their agenda What s more our investment in the First Amendment obscures an uncomfortable truth free speech is impossible in an unequal society where a few corporations and the ultra wealthy bankroll political movements millions of voters are disenfranchised and our government routinely silences critics of racism and capitalism Weaving together history and reporting from Charlottesville Skokie Standing Rock and the college campuses where student protests made national headlines Moskowitz argues that these flash points reveal more about the state of our democracy than they do about who is allowed to say what Our current definition of free speech replicates power while dissuading dissent but a new ideal is emerging In this forcefully argued necessary corrective Moskowitz makes the case for speech as a tool for exposing the truth demanding equality and fighting for all our civil liberties

Beauty and the Beastly Billionaire Judy Angelo, 2024-12-27 What do you do when the man you end up working for is the worst bully you could ever imagine This is the dilemma facing Ellie Goldwell one from which she would gladly walk away except that she can t not when her family is depending on her She stands up for herself though letting her boss know that she is no pushover After that things look like they re under control that is until he demands that she accompany him to Argentina It s here on his

home turf where Ellie learns that when it comes to matters of the heart there s no such thing as control Amadeo Castillo has never met a woman like Ellie Goldwell feisty and defiant a woman who will stand up to him regardless of his position or power He s used to being the one in the driver s seat he even has the reputation of being a tyrant but when Ellie enters the picture she becomes a challenge to his position a threat to his reputation and a hazard to his heart It s a brutal battle of will and wits and all bets are off

America Ascendant Stanley B. Greenberg,2025-10-16 America is poised to lead the 21st Century as it led the 20th That will happen because the country is at a tipping point in the battle for its own renewal a renewal that will allow America to be exceptional again Our economy is on the move fueled by revolutions in energy immigration innovation big data and advanced manufacturing America s energy independence has set off shockwaves Just as important are the social transformations that are making the country ever more racially and culturally diverse younger a home to immigrants and the metropolitan centers that foster a rising economic and cultural dynamism While most other countries struggle profoundly with immigration and religious and racial differences America s on a path to multicultural identity Those revolutions in the economy society and culture and are also producing a new American majority that embraces new values and new politics Republicans are waging a counter revolution and that is why America looks gridlocked and why the country is turning to Democrats to take on the country s growing challenges The economic and social transformations leave people struggling to earn enough and reach the middle class Families are under stress Government is corrupted by big money The American public is demanding the country address the dark side of our progress and reforms are starting to happen That is why Democrats will get to lead an era of reform and renewal comparable to the progressive era that mitigated the excesses of the Industrial Revolution In this incisive book expert strategist Greenberg draws on years of research and polling to illuminate how America is far from being gridlocked and he articulates a powerful vision of how American politics and America can be renewed

In Bed With The Enemy JUDY ANGELO,2024-12-29 When you give in to temptation Chrystal King prides herself on being an assertive woman one who no man can dare try to dominate But when her path crosses quite violently with the most insufferable man on earth she is faced

with a challenge she's never had to tackle before how do you dominate and neutralize a man who makes your heart pick up pace and your breath catch in your throat What do you do when that man is your enemy It's a dilemma this warrior woman is not sure she can handle Damon Daniels has never met such a cantankerous woman as Chrystal King From the first day they meet it seems like she's determined to rub him the wrong way The problem is he soon finds out that she has a softer side that he just can't resist He finally gives in to temptation and yields to her womanly charms but then she turns around and does something that makes him realize he's made the worst mistake of his life And sometimes consorting with the enemy is just not worth it

The Populism-Euroscepticism Nexus Juan Roch, 2023-12-19 This book explores the modes of European Union EU contestation which are mobilized by radical parties and seeks to unearth the relationship of such contestation with populist discourses It looks specifically at how rightist and leftist parties articulate populist discourses with representations and problematizations of Europe and the EU by examining the left wing Podemos in Spain and the right wing Alternative f r Deutschland AfD in Germany It argues that radical parties also build their Euroscepticism on other hegemonic discourses and populism is only one possible discursive articulation to mobilize the contestation of the EU It examines whether populism discourses may serve or not as a stimulus for EU contestation and as such shows the implications that this may have for the persistence of Euroscepticism in Western European democracies This book will be of key interest to scholars and students of radical parties democracy democratic and political theory populism Euroscepticism discourse studies and more broadly to comparative politics and European studies
