The Brimstone Deception:

The Brimstone Deception Lisa Shearin, 2016-01-26 Men in Black meets Janet Evanovich's Stephanie Plum in the new urban fantasy novel starring seer Makenna Fraser and her fellow agents at Supernatural Protection Investigation. The agents of Supernatural Protection Investigations SPI know that fighting evil is a full time job especially when a new designer drug with mind blowing side effects hits the streets. It's called Brimstone. And after the first few hits you'll see every supernatural beast sharing the sidewalk train or office with you. After that you'll start seeing the really scary stuff. I'm Makenna Fraser, seer for the SPI. And the collateral damage caused by Brimstone is something I'd like to unsee: dead drug dealers missing their hearts and souls. Because your local pusher doesn't stand a chance against the new cartel muscling its way into New York. And since the drug can only be produced with magic and molten brimstone fresh from Hell, that means a rift to the underworld is open somewhere in the city. And when not if the cartel loses control of it, well, it's going to be Hell on earth.

Deathly Deception Denis Smyth, 2011-08-25 In the pre dawn darkness of April 30 1943 a body disguised as a Royal Marine Major washed ashore on the coast of Spain carrying false documents indicating that the Allies were set to launch an attack on Greece rather than Sicily. Immortalized in the film *The Man Who Never Was*, Operation Mincemeat is renowned as the most spectacular episode in the annals of deception. In this accurate and in depth retelling of the story Denis Smyth draws on a vast collection of previously unavailable documentary sources to provide many key details overlooked in other accounts of Mincemeat. He reveals how the architects of the plan navigated a maze of medical, technical and logistical issues to deceive the enemy at the highest strategic levels. Before planting the corpse in the Spanish coastal waters via a stealthy submarine operation, the planners not only gave their dead messenger a new military identity but also a private one as the fiancée of an attractive young woman named Pam. Nazi intelligence was fooled, falling for a ruse which ultimately saved thousands of American lives.

The Dragon Conspiracy Lisa Shearin, 2015-01-27 After solving *The Grendel Affair*, the agents have another SPI File to investigate. We're Supernatural Protection Investigations, known as SPI. We battle the real monsters of myth and legend, but this Halloween we're searching for diamonds. A gala opening at the Metropolitan Museum of Art has attracted the upper crust of Manhattan and thieves. A trio of vile harpies attacks the crowd and steals the stars of the exhibition: a colorful cluster of seven cursed diamonds known as the Dragon Eggs. In the right mage's hands, each stone can pack a magical wallop. Together they have the power to cure the supernaturals of the tristate area, but for many of those vampires and werewolves that means turning into dust. I'm Makenna Fraser, a seer for SPI. With the help of my partner Ian and the other agents, I have twenty-four hours to prevent total global panic, find the diamonds, and save the supernatural community. No biggie.

The Ghoulish Vendetta Lisa Shearin, 2017-01-31 Men in Black meets Janet Evanovich's Stephanie Plum in the fourth urban fantasy novel in the series starring seer Makenna Fraser and her fellow agents at Supernatural Protection Investigation. The agents of Supernatural Protection Investigations SPI are paid to keep the peace. But that's not so

easy when an endless evil threatens to tear that peace to pieces A vampire gangster s nephew is abducted off his yacht by a bunch of low rent Creatures from the Black Lagoon A slew of banks are knocked over by what looks like the cast of Night of the Living Dead All of this may seem like the movies but I promise you it s not I m Makenna Fraser seer for SPI and I know the culprits aren t wearing disguises or makeup They re real Deadly real Especially their leader an ancient shapeshifter who leaves a trail of chaos and blood in his wake Now he s taken my partner Ian and his intentions aren t pretty The worst part This is only the beginning The beginning of the end of the human race **Deception's Legacy** Jacqueline G.

Rivera,Alexander E. Hooke,2018-10-09 In The Twilight Zone and Philosophy philosophers probe into the meaning of the classic TV series The Twilight Zone Some of the chapters look at single episodes of the show while others analyze several or many episodes Though acknowledging the spinoffs and reboots the volume concentrates heavily on the classic 1959 1964 series Among the questions raised and answered are What s the meaning of personal identity in The Twilight Zone Number 12 Looks Just Like You Person or Persons Unknown As the distinction between person and machine becomes less clear how do we handle our intimacy with machines A question posed in the very first episode of The Twilight Zone The Lonely Why do our beliefs always become uncertain in The Twilight Zone Where Is Everybody Just where is the Twilight Zone Sometimes it s a supernatural realm but sometimes it s the everyday world of reality What does the background music of The Twilight Zone teach us about dreams and imagination Is it better to lose the war than to be damned Still Valley How far should we trust those benevolent aliens To Serve Man Where s the harm in media addiction Time Enough at Last Is there something objective about beauty The Eye of the Beholder Have we already been conquered The Monsters Are Due on Maple Street Are there hidden costs to knowing more about other people A Penny for Your Thoughts

Overcoming Great Deception Riaan Engelbrecht,2023-01-19 More than ever we live in the reality of 2 Thessalonians 2 which refers to the great falling away or rebellion The Greek word translated as rebellion or falling away in verse 3 of the Scripture is apostasia from which we get the English word apostasy It refers to a general defection from the true God the Bible and the Christian faith In such perilous times of deception and spiritual corruption a great need exists to seek the Lord to follow His will to obey His truths and to follow His narrow path of holiness To restore the altar is truly to be a living sacrifice in service of God a servant who will not compromise with the world and who seeks to only glorify God above all
