excellent material for musicians of various backgrounds The primary purpose of this book is not mere reproduction but to actively engage everyone as music by its very definition involves the expression of emotional states through the use of sounds with specific frequencies and rhythms While an indication of a song s country of origin is provided it should be understood that many traditional cultures transcend current national borders The language in which a song is sung holds more significance and can be utilized in multiple countries Most songs included in this book have been simplified to accommodate beginners Since African music often involves improvisation and variation it is recommended to utilize this sheet music as a guide rather than a rigid framework The most crucial aspect is to actively listen to and replicate the recordings accessible through the provided QR code Contents Obwisana Do Do Ki Do Plouf Tizen Tizen Sansa Kroma A Ram Sam Sam S lingua Shosholoza Kanzenzenze Zimbole Banuwa Bebe Moke Kumbaya My Lord Siyahamba Bambali Bele Mama Stick Passing Song Che Che Koolay Siyanibingelela Atadwe Funga Alafia
