What I Believe

Richard Michael White

What I Believe:

What I Believe Bertrand Russell, 2004-02-24 Along with *Why I Am Not a Christian* this essay must rank as the most articulate example of Russell's famed atheism. It is also one of the most notorious. Used as evidence in a 1940 court case in which Russell was declared unfit to teach college level philosophy, *What I Believe* was to become one of his most defining works. The ideas contained within were and are controversial, contentious, and to the religious downright blasphemous. A remarkable work, it remains the best concise introduction to Russell's thought.

What I Believe Hans Küng, 2010-09-16 Hans Küng is one of the most celebrated theologians of the present day. His audience, which is strong within his own Roman Catholic Church, is equally solid among Christians of other denominations, among those outside the churches, and indeed among those at the frontiers of organized religion. From the start, he has been a rebel, being Swiss and a lover of personal freedom. Many of his books, such as *Infallible* and *On Being a Christian*, have rocked the Papal boat. Now, after publishing two magnificent and acclaimed volumes of memoirs, Küng has written a much shorter and more personal book to explain his own beliefs. If one sets aside all scientific knowledge and learning, all formal theological language, and the skilful construction of theories, what remains as the core of faith? What do we need for our lives? What is indispensable to us? Küng writes of trust in life, joy in life, and suffering in life, and in so doing gives us a summa of his own faith and life.

What I Believe Norma Fox Mazer, 2015-05-19 Vicki wishes she could solve her problems as easily as she can arrange words into a poem. Vicki Marnet has two wonderful big brothers who are completely regular people. They like sports, chess, and the student senate, and are totally normal, unlike Vicki, who feels in her heart that she's different. For one thing, she writes poetry for fun. She plays with sonnets, pantoums, sestinas, all kinds of stanzas, and rhymes, anything to take her mind off what's happening at home. Vicki's dad lost his job, and since he can't find another one, her family is moving to the city. They're selling their big house, moving into a tiny apartment, and facing troubles that Vicki has never known before. Ashamed and slow to make friends at her new school, Vicki puts her thoughts down in verse as she makes a new place for herself, one that's very much her very own.

What I Believe Leo Tolstoy, 2007-09-01 Originally published in 1885, *What I Believe* is part of a series of books by novelist Leo Tolstoy that outline his personal interpretation of Christian theology. After a midlife crisis at age 50, he began to believe in the moral teachings of Christianity while rejecting mysticism and organized religion. He believed that pacifism and poverty

were the paths to enlightenment His precepts of nonviolence even influenced Mohandas Gandhi Students of religion political science and literature alike will gain new understanding from the ideas presented in this book Students of literature will get to understand more deeply one of the greatest novelist in history while those interested in religion and politics can see how Tolstoy s philosophy came to influence the world at large Russian writer COUNT LEV LEO NIKOLAYEVICH TOLSTOY 1828 1910 is best known for his novels War and Peace 1869 and Anna Karenina 1877 What I Believe Andrew

should write a book Well I have this is it A three in one so to speak the statement clearly about what I believe I follow that up with why I believe these things to be so And then of course there is a very get real with prayer portion of this little work This whole work is about reaching an unseen God that is all powerful all knowing Who created us all If you will follow the patterns shown in this little book that you could actually read a small story at a time or a prayer a day would hopefully put a hunger in you to know the God of Creation who loved you so much that when you betrayed Him His Holiness and His true and faithful kind and gently love you who sinned against Him who created you would find a strong and living relationship with God my Father for yourself It is my will as it is God s will that NONE should leave this Earth via the portal of death or any other way and find them selves in Hell for Eternity I mean think about that Eternity is a long time and there are NO Friends there No one can make these choices for you The decision to ask God to forgive you for your own sin is between you and God alone Not Mom nor Dad no Sister or Brother can make this choice for you It is yours and yours alone God because He was rejected came in the flesh of Jesus and went to a cruel undeserved death on the cross for you because of you so you could get the forgiveness you so desperately need as do we all God has offered peace between you and Himself you must come to God through Jesus His Son there just is no other way Think it over but do not delay your decision YOUR Eternity depends upon it YOUR CHOICE To Those I Love sharing What I Believe Larry V. Murphy,2014-08-29 This little book is a brief summary of

the author's more prevalent spiritual beliefs and understandings. The views shared are presented as quite generous comparisons to some spiritual views of the major religions of the world actually and within the spirit of true tolerance. Though the author is passionate and often affirmative in his own beliefs, he makes every effort to steer clear of rigid dogma. In fact, the book was written largely as an offering of reason, the best way to counter the religious dogma already present in the world. The author does not wish to open more doors for arguing and fighting; rather, he thinks there is much common ground where spiritual views can be jointly shared by all in unity and universal Oneness. Though the author recognizes that humankind often displays great difficulty in reaching common ground for its greatest passions, the author also hopes this book will open dialog toward that end.

Sticking Up for What I Believe Gwendolyn Mitchell Diaz, 2002 Does It Matter What I Believe? Samuel James, 2023-01-11 How Sound Doctrine Influences Every Area of the Christian Life Doctrine might be something you've heard in church, but how does it impact your life? Christian doctrine examines what the Bible teaches about particular topics such as the nature of God, the nature of humanity, how humans should live, and more. By understanding biblical truths, believers have the tools to understand God, interpret Scripture, and live godly lives. In this addition to the Church Questions series, Samuel James addresses how doctrine influences every area of life for the believer. Many individuals know that their beliefs matter in certain areas of life, such as politics, but don't always understand how key biblical principles like the Trinity, ecclesiology, and the atonement should shape their everyday lives. It is easy to think that doctrine is only for theologians, but in reality, it is essential for everyone. Humanity was created to know the truth about God, themselves, and the world. Part of the Church Questions Series. Developed to give biblical insight into common questions. Ideal for New Christians. Introduction to the relationship between doctrine and living out the Christian life. Short and Accessible Format. Concise biblical teaching on the church's system of beliefs.
