Childhood Sexual Abuse

Karen L. Kinnear, 2007-01-19 This work is an important new edition of a classic study one of the few exhaustive examinations of childhood sexual abuse available with 40 percent new material Even though it is as old as human history child sexual abuse has generally remained a dark and well hidden secret Only in the last few decades has it become a topic of open public debate and scientific research and we still have more questions than answers How often are accusations of sexual abuse legitimate and how often are they the result of false memories Can sexual offenders be cured or will they ultimately re offend These are only a few of the difficult questions this volume seeks to answer Childhood Sexual Abuse A Reference Handbook explores the many ways we define child sexual abuse in the United States and in different parts of the world and how those differences are represented in U S and international laws It summarizes what we know about how to intervene treat and prevent childhood sexual abuse effectively and tells the stories of individuals who have had a dramatic effect on the handling of childhood sexual abuse For students social workers teachers policymakers parents and concerned citizens this work offers a one stop multifaceted discussion of one of the major issues facing children and their families **Federal Credit Unions** United States.
