2017 CFR Annual Print Title 33 Navigation and Navigable Waters Parts 1 to 124 Office of The Federal Register, 2017-07-01 *Code of Federal Regulations*, 1990 Special edition of the Federal Register containing a codification of documents of general applicability and future effect with ancillaries

2018 CFR Annual Print Title 33 Navigation and Navigable Waters Parts 1 to 124 Office of The Federal Register, 2018-07-01

The Sex Offender Register Terry Thomas, Daniel Marshall, 2021-04-11 The Sex Offender Register examines the origins history structure and legalities of the UK sex offender register and explores how political and public opinion has influenced the direction the policy of registration has taken Delving into the origins of the UK sex offender register and how the registration policy has evolved this book provides an understanding of the register and its contribution to public protection while attempting to see the register as a policy that has grown and developed and as having an organic life of its own The sex offender register is designed as a form of public protection rather than a punishment requiring offenders to notify the police of their circumstances and to accept a degree of offender management from the police The book puts the development of the register in its political social and ethical context considers the position of children and young people as offenders outlines the movement of registered offenders across international borders analyses how offenders can be removed from the register explores how other countries in the UK manage sex offenders through registers asks questions about the efficacy of the register and what contribution it makes to public protection looks at specific aspects of registration including the management of information delves into the experience of life on the register examines the influence of public opinion discusses the role of the police as custodians of the register and as offender managers Exploring the different pressures brought to bear on the register this book provides an authoritative starting point for police officers social workers probation officers magistrates students of Criminology Criminal Justice and Policing and the general reader wanting to understand where the UK sex offender register originated from and how it operates today

Mega-Event Mobilities Noel B. Salazar, Christiane Timmerman, Johan Wets, Luana Gama Gato, Sarah Van den Broucke, 2016-12-01 Global sports events are rarely far from the public eye Such mega events are about much more than the sporting competitions themselves They entail global exposure and intense struggles by different stakeholders This is the first book to examine sports mega events from a mobilities perspective It analyses the mobile construction of global sports mega events and the role this plays in managing labour imaginaries policies and legacies In particular the book focuses on the tension between the various mobilities and immobilities that are implied in the process of constructing a mega event It seeks to uncover the ways in which an event is a series of fluid interactions that occur sequentially and simultaneously at multiple scales in diverse spheres of interaction Contributions explore the dynamics through which mega events occur revealing the textures and nuance of the complex systems that sustain them and the ways that events ramify throughout the international system
