Institution Warehousemen and Clerks' Schools for Orphan and Necessitous Children (New Cross),1857 **A Literary Cavalcade-II** Robert A. Parker,2013-11-06 For six decades writer and editor Robert A Parker has followed up each book he reads mainly novels with an evaluation His comments are informed by an independent critical view that balances a moral and literary sensibility In this second of six volumes the authors covered range from Henri Daniel Rops to Jose Maria Gironalla They include Don DeLillo Peter Dexter E L Doctorow Umberto Eco Shusaku Endo Louise Erdrich William Faulkner F Scott Fitzgerald John Fowles E M Forster Carlos Fuentes and Gabriel Garcia Marquez as well as a few mystery authors and historians The commentaries are listed alphabetically by author and the books by the date of publication for each author The writers here represent a broad range of writing styles cultural influences and moral philosophies And all are rated on their literary achievement the effectiveness of plot character and setting plus their recognition of the moral ethical and spiritual values of mankind **From the Inside Out** Royden Loewen,1999-10-12 Historian Royden Loewen has brought together selections from diaries kept by 21 Mennonites in Canada between 1863 and 1929 some translated from German for the first time By skillfully comparing and contrasting a wide cross section of lives Loewen shows how these diaries often turn the hidden contours of household and community inside out The writers featured were ordinary rural people young women and grandmothers rural preachers and landless householders They include a teenaged boy who immigrated from Russia to Manitoba in 1875 as well as a successful merchant a traveling evangelist and a devout conservative church elder An elderly grandfather recounted the daily circuit of his children s homes while 19 year old Marie Schoeder wrote of her literary aspirations her secret hope that some day she would write things that have a real worth things that are worth printing and things that other folks would love to read and pay for From the Inside Out also contrasts diaries from two distinct Mennonite communities in Canada The Swiss American Mennonites in Waterloo County Ontario faced rapid urbanization while the Dutch Russian Mennonites in southern Manitoba maintained their more rural environment The diaries mirror their writers preoccupations with work and weather but they also reveal a community s social structure and round of activities such as weddings funerals and worship services In the process of diary keeping the writers sought to make sense of a dynamic and

often unpredictable world Reading what they chose to record is to learn much about their culture Their writings provide glimpses of their lives their collective mindset and their history as a people **Genealogical Abstracts from the "Telephone", 1881-1888, Loudoun County, Virginia** Patricia B.
