What Is Lightbody:

What Is Lightbody Tachira Tachi-ren, Archangel Ariel, 1999-06-01 The true author of this book is the Archangel Ariel and it is channeled through Tachira Tachi ren It is a brief but powerful guide for lightworkers From the introduction When we look at you we see you as vast multidimensional beings There s just a little bit of you in this body thinking that you are all of it Some of you are getting an inkling that s not so We see you at all dimensions in the vastness of who you are From our viewpoint because you are reading this you are a Lightworker and you are here with a job to do You are here to assist in the transition of planet Earth into Light You ve done it countless times before and you are an expert in your field This book presents you with a model which describes what s going on in this process for this planet It is not truth It is not real because when you are attempting to describe a multidimensional non linear model it s impossible to describe it in the English language But we re going to do our very best If at times it bounces around bear with it because the process itself is not exactly linear It s a lot more like music Now the only way we can present this model is linearly We have attempted to do it non linearly and everyone goes brain dead We hope that you can feel the shifts you re going through We know that if your mental body can say Ah this is part of eighth level of Lightbody it eases the secret fears There is a need for this information to go out because the fear level is so very high especially coming from the physical and mental bodies If you know what s happening to you and know that it s part of a coherent process then you feel less crazy *Ascension Handbook* Tony Stubbs, 2011-05-01 Filled with exercises and techniques An Ascension Handbook is a practical how to manual for ascending Lightworkers Here is a practical manual for breaking old patterns severing from the consensus reality and aligning with Spirit With precision and a dry wit Serapis reveals in today s language what initiates have known for millennia and how we can use this knowledge during the tumultuous years ahead Since the fall we have experienced every aspect of separation but now the game is over and it s time to return to the Source As we return we must ascend and Serapis shows us how to do it with grace ease and fun **Wake up for Ascension to a New Earth - or Leave** Robert E. Pettit, 2010-09-22 There Is a Place You Can Go That place is a New Earth free from sickness crime and war The Earth is shifting to a higher vibration from third density to fourth and fifth density For you to survive on the New Earth you must also change your frequency to match that of the New Earth Unless you make that change your body frequency will be incompatible with these new frequencies and you will have to leave You have a choice prepare to ascend or transfer to another third density planet Ascension is available for those who choose to move out of duality consciousness into Unity Consciousness Dr Pettit explains some of the requirements and preparations needed to ascend from the Old Earth **Manifesting Magnificence** Andrew Lutts, 2008-12-01 Why do some people fail to succeed in life while others create magical life experiences easily Why are some people living in limitation while others live in abundance Manifesting Magnificence shows you exactly how to create a life of harmony joy and abundance by applying universal laws and truths in your own life to create your own reality (Profanity)?!
