12 - 12 - 12 (Book 2 of John Rachel's End-of-the-World Trilogy) John Rachel, 2015-12-09 12 12 12 is the story of a great nation falling apart and one young man's quest for meaning in the midst of chaos It takes the stuff of reality and pitches it to a high scream Open your mind but cover your ears Knowledge is bliss but it's loud and painful Yet somehow still funny 12 12 12 manages to tell it like it is by telling it like it isn't Granted this is not what actually happened during 2012 But what unfolds is not more implausible Nor is it less implausible It's dark ironic witty at times surrealistic and just plain weird One reviewer calls it laugh out loud brain food for hungry minds

Until the Harvest (Appalachian Blessings Book #2) Sarah Loudin Thomas, 2015-04-28 Take This Journey of Broken Souls Restored and Tentative Hearts Brought Fully to Life When family tragedy derails Henry Phillips's college studies he's left unmoored and feeling abandoned The only things that can tamp down his grief are the family farm his fiddle and an unexpected friendship with sweet but unusual preteen Mayfair Hoffman Unfortunately Mayfair's older sister Margaret despite her spray of freckles and cute turned up nose has a completely different effect His grandmother's helper she's always around ready to push his buttons and it seems at first that she doesn't care about his troubles Henry soon realizes though that Margaret's facing her own struggles Mayfair's health and unique gift sit at the heart of those worries Henry and Margaret soon find themselves relying on each other as potential tragedy collides with growing hope in a warm story of family bonds and the surprising ways healing finds us all

Want To Date You Emma Lea, 2021-02-14 Two broken people didn't make a whole one The friendship we had it just worked We were kindred spirits We had shit in common We were both running from the same demons That didn't mean we could make a romantic interlude work in fact it almost guaranteed that we would be a complete bloody disaster Darcy I liked Cole from the moment my best friend introduced us and if I hadn't been seeing someone at the time we might very well have hooked up But instead we became friends good friends and I came to value that friendship more than I'd ever imagined Cole just got me When I was around him I could let all my defences down and just be me Sure he was hot and I knew if we ever went beyond friends we would rock each other's world but our friendship was too important to me to throw it away for one perfect night between the sheets I didn't do long term relationships so one night was all we could ever have and that just wouldn't be enough Cole and I would be spectacular and then we would self-destruct Neither of us was emotionally available to deal with the fallout Maybe if things were different if I wasn't so broken but they're not and I'd rather have Cole as a friend for life than just a sweet memory Cole Darcy knocked me on my arse the first time I met her She was gorgeous a tiny little thing that I'd like to pick up and carry around in my pocket But she was also smart and funny and a great wingman Except that I'd rather sit at the bar talking to

her all night than go home with the woman she picked out for me And now my body had gotten on board and it wanted more much more But Darcy was my friend and the relationship I had with her was probably the healthiest male female relationship I d ever had and I just didn t want to screw it up She was too important to me to be a one night stand even though I knew it would be amazing and I m a one night stand kind of guy That might be an awful thing to admit but I m not whole and I didn t think it was fair to lump my baggage onto someone else So having Darcy as a friend was the only way to keep her in my life and I definitely wanted to keep her
