Dispute Resolution within Africa Rashri Baboolal Frank,2024-12-27 The main topic is dispute resolution within specific Africa countries and the journey of Africa becoming a global leader as the seat of dispute resolution focusing on the mechanisms of mediation arbitration conciliation and negotiation In international commercial transactions it is inviolable that disputes arise and the commercial contracts provide for a med arb clause and parties go to private forums to resolve the dispute Negotiation becomes a key tactic embedded into the mediation techniques and style adopted to ensure success of proceedings If mediation fails then arbitration is the last stage to determine the finality of the dispute when an award is given after hearing evidence this final award is not appealable The journey of Africa being a global leader encouraged partnerships with internationalinstitutions practices and trends but it is a journey that is necessary to overtake the European and American seats This book provides scholars with the opportunity to navigate the journey of Africa becoming a main seat for dispute resolution and a leader in the international realm of alternative dispute resolution

Contextualizing English for Academic Purposes in Higher Education Ian Bruce,Bee Bond,2022-07-28 This book highlights the centrality of political and ideological issues as they relate to the positioning and practice of English for Academic Purposes EAP demonstrating that EAP cannot flourish as a profession or a discipline without an awareness of the macro and meso level political shifts that impact the wider university The volume states that the practices of EAP are in fact political acts and examines these as yet unexplored power dynamics The volume begins by considering key influences that have shaped universities and their governance and management over the last three decades and how these relate to the role and practice of EAP These influences include neoliberal economic policies governmental demands for widening participation globalization entrepreneurial approaches to higher education students as clients and therapeutism in universities Following

consideration of these broader contextual issues specific chapters focus on politics and policies surrounding the recruitment and participation of international fee paying students their positioning and identity within English medium universities including issues relating to English language standards and academic integrity Further chapters then consider more local influences that shape EAP programmes such as their strategic roles within universities their management their teaching and wider academic impact *Global Human Resource Development* Thomas Garavan,Alma McCarthy,Michael Morley,2016-02-05 Drawing on contributions from leading academics in the field this volume within the Routledge Series in Human Resource Development specifically focuses on Global Human Resource Development HRD Specifically the volume provides an overview of 17 regions 85 countries and includes one emerging market grouping CIVETS This book examines the role of the state in HRD the relationship between HRD and the level of economic development in the country or region the influence of foreign direct investment within the country or region and firm level HRD practices within countries or regions Global Human Resource Development analyzes HRD from institutional and cross cultural perspectives making it possible for the first time to analyze trends across countries and regions and to draw conclusions about the value of institutional and cross cultural perspectives in the HRD context There is currently no book on the market that conceptualizes the discipline of global HRD in this way making this a definitive book on HRD across the globe of particular interest to researchers and reflective practitioners Managing Digital Records in Africa Mpho Ngoepe,2022-05-23 Managing Digital Records in Africa draws on the research work of the InterPARES Trust ITrust project that investigated interrelated archival issues focusing on legal analysis infrastructure trust authentication and education within the African context This research focused book provides a legal analysis and systematic assessment of how African institutions manage digital records in four countries i e Botswana Kenya South Africa and Zimbabwe It also examines the extent to which records are managed using Internet based applications trust in such records and digital record authentication to support the auditing process Finally it provides a curriculum analysis in digital records at institutions of higher learning in 38 African countries The book s case studies illustrate the threads of discussion which span the ITrust domains of legislation infrastructure authentication trust and education in archives and records management The book can be used as a premier reference source by private and public organizations researchers educators archivists records managers and postgraduate students to make informed decisions about digital records records management systems cloud based services authenticating records and identifying universities on the continent that offer archival programmes The book may also find expression to practitioners in other fields such as law and auditing *Africa's Wellbeing in an Uncertain World* Vusi Gumede,2020-11-09 The world remains uncertain Africa is fragile Many issues remain unresolved and the African and global situation is worsening South Africa has been at the crossroads for long enough There can be no more delays the time has come to address the many critical issues In Africa s Wellbeing in an Uncertain World Vusi Gumede discusses these critical issues about Africa with specific focus on South Africa

He has revisited opinion articles and blogs he has been writing since the mid 2000s and taken his ideas and arguments together with his deliberations on the recent changes globally and in Africa and presented them in this thought provoking book While taking into account what others have said about similar issues this is an attempt to get us to talk about these challenges the important issues and fundamental problems with a view to finding solutions The future of the African continent could be bright if all the efforts that are being pursued for the improved wellbeing of Africans succeed But as Vusi Gumede reflects in this book if South Africa is to achieve the society envisaged in the Constitution then all South Africans whatever the colour of their skin have an important role to play *The Education Triple Cocktail* Brahm Fleisch, 2018-08-15

The Education Triple Cocktail brings together rigorous quantitative and qualitative research on a new approach to improving foundational teaching and learning for schoolchildren living in working class poor and remote rural communities in resource constrained systems like South Africa At the core of this book is the theory and evidence for a powerful new interlocking and mutually reinforcing change model Inspired by the AIDS treatment story the three pronged approach of structured daily lesson plans appropriate and high quality educational materials and one on one instructional coaching to help teachers transform their instructional practices in early grade classrooms shows that it will improve learning outcomes For education systems defined by low levels of early grade learning and profoundly unequal outcomes The Education Triple Cocktail offers a theoretically informed evidence based way forward This book will be of immense use to teachers students of Education policymakers and parents
