The Mean Mom's Guide To Raising Great Kids:

The Mean Mom's Guide to Raising Great Kids Joanne Kraft, 2015 The Mean Mom's Guide to Raising Great Kids encourages overly nice marshmallow moms to instill a few much needed boundaries. It motivates parents to stand their ground when childrearing is tough, most especially when a child doesn't like them for it. Covering parenting from preschool to high school, each of the four sections highlights topics specific to each age. Scripture is weaved throughout as a continual reminder of God's truth, and Mom 2 Mom quotes at the end of each chapter are filled with heartfelt transparency from dozens of moms who lent their own experiences to encourage the reader. Mean moms encourage openly, love passionately, and know full well being called mean by her child is oftentimes a compliment. **Raising Great Kids** Henry Cloud, John

Townsend, 2009-09-01 What does it take to raise great kids? If you've read any books on parenting, conflicting opinions have probably left you feeling confused. Get tough. Show acceptance. Lay down the rules. Lighten up already. There's got to be a balance, and there is. Joining their expertise with the wisdom of MOPS International Mothers of Preschoolers, Drs. Henry Cloud and John Townsend help you provide both the care and acceptance that make grace real to your child, and the firmness and discipline that give direction. Avoiding the twin extremes of permissiveness and over control, Drs. Cloud and Townsend show how you can help your child cultivate six necessary character traits: attachment, responsibility, reality, competence, morality, and worship, spiritual life. At last, here is an effective middle ground for raising up children who will handle life with maturity and wisdom. *Raising Great Kids* will help you equip your son or daughter to accept life's responsibilities, grow from its challenges, and freely and fully explore all that it has to offer. *Raising Great Kids on Your Own* David Frisbie, Lisa

Frisbie, 2007-03-01 One parent households frame the new landscape of American family life. But raising kids alone is hard work, and single parenting is a struggle for most. David and Lisa Frisbie provide a practical and proactive plan single moms or single dads can use to nourish their own souls, maintaining a vibrant faith in God and a vital connection to family and friends, nurture their children, empowering kids to successfully process the trauma of divorce, manage their households as they assume roles and tasks that may lie well outside their comfort zone, build a future they can enjoy, making choices about education, careers, finances, and relationships. The Frisbies' constant travel and ongoing counseling ministry provide a rich reservoir of effective strategies and ideas. Moms and dads who parent alone will find confidence and hope from this manageable and optimistic approach. **Mothering from Scratch** Melinda Means, Kathy Helgemo, 2015-01-13 Discover

Your Personal Parenting Style. Most parenting books present a cookie-cutter approach which may or may not apply to all personalities and family dynamics. *Mothering From Scratch* shows mothers how to develop their own style that helps them be the best mom for their kids and restores the joy of mothering. Full of solid biblical truth, this book encourages moms to explore their personalities and examine their strengths and weaknesses in order to find what works for them, tap into the resources surrounding them, and get mentoring and support from other moms. Push past the fear of change or doing it wrong.
