The Nazi S Boy:

HITLER WAS SOCIALIST -Nazis, Communists, Fascists Johnny Quest, Hector J. Peabody, Ian Tinny, Adolf Hitler was a socialist Most of what is written about Hitler is deceitfully designed to hide the fact that he touted socialism by the very word Consider the following revelations explained herein with special thanks to archives of Dr Rex Curry s work 1 Hitler called himself a Socialist The word Socialist appears throughout Mein Kampf as a self description by Hitler Hitler and his supporters self identified as socialists by the very term in voluminous speeches and writings 2 Hitler never called himself a Nazi There was no Nazi Party nor Nazi Germany as those are lies to hide the true names of the entities 3 Hitler never called himself a Fascist 4 The term Nazi isn t in Mein Kampf nor in Triumph of the Will 5 The term Fascist never appears in Mein Kampf as a self description by Hitler 6 The term swastika never appears in the original Mein Kampf 7 There is no evidence that Hitler ever used the word swastika 8 The symbol that Hitler did use was intended to represent S letter shapes for socialist 9 Hitler altered his own signature to reflect his S shapes for socialism logo branding 10 Hitler was influenced by American socialists the USA s Pledge of Allegiance to the flag was the origin of Nazi salutes and Nazi behavior 11 The classic military salute to the brow also contributed to the creation of the Nazi salute with the right arm extended stiffly 12 Mussolini was a long time socialist leader with a socialist background raised by socialists to be a socialist and he joined socialists known as fascio fasci and fascisti 13 Fascism came from a socialist e g Mussolini Communism came from a socialist e g Marx Fascism and Communism came from socialists 14 German socialists partnered with Soviet socialists to launch WWII invading Poland together and going onward from there killing millions Hitler Mussolini Stalin Mao and other tyrants were influenced by propaganda in the USA including the childish American socialists Francis Bellamy and Edward Bellamy Both Bellamy cousins wanted government to take over all schools to teach socialism to all youngsters worldwide Francis Bellamy was the author of the Pledge of Allegiance to the flag the origin of the infamous stiff armed salute adopted later under German socialism and Adolf Hitler Long before the Deutschland fad began American schoolchildren were taught to chant in unison and perform the same salute each day in government schools that imposed segregation by law and taught racism as official policy Anyone who rejected the ritual in the schools was persecuted America s Nazi salute was often performed by public officials in the USA from 1892 through 1942 What happened to old photographs and films of the American Nazi salute performed by federal state county and local officials Those photos and films are rare because people don t want to know the truth about the government s past TV newspapers and other MSM will not show a historic photo or video of the early American straight arm salute nor mention its history and impact worldwide American youth groups Scouting adopted Bellamy s American Nazi salute with Bellamy s encouragement AND saluted swastika badges worn by fellow scouts Many Americans were accustomed to Nazi salutes for swastikas long before German socialism and Hitler Youth adopted similar behavior under Hitler That helps to explain another inconvenient truth swastikas were promoted in the US military and worn

as a patch on the upper left arm of American soldiers in a fashion that would become uniform under German socialism There are photos in this book The military salute was the origin of Nazi salutes via the USA s flag pledge in government schools Public officials in the USA who preceded the German socialist Hitler and the Italian socialist Mussolini were sources for the stiff armed salute and brainwashed chanting in Germany Italy and other foreign countries Folklore Fights the Nazis Kathleen Stokker,1997-02-01 Armed with jokes puns and cartoons Norwegians tried to keep their spirits high and foster the Resistance by poking fun at the occupying Germans during World War II Despite a 1942 ordinance mandating death for the ridicule of Nazi soldiers Norwegians attacked the occupying Nazis and their Norwegian collaborators by means of anecdotes quips insinuating personal ads children s stories Christmas cards mock postage stamps and symbolic clothing In relating this dramatic story Kathleen Stokker draws upon her many interviews with survivors of the Occupation and upon the archives of the Norwegian Resistance Museum and the University of Oslo Central to the book are four joke notebooks kept by women ranging in age from eleven to thirty who found sufficient meaning in this humor to risk recording and preserving it Stokker also cites details from wartime diaries of three other women from East West and North Norway Placing the joking in historical cultural and psychological context Stokker demonstrates how this seemingly frivolous humor in fact contributed to the development of a resistance mentality among an initially confused paralyzed and dispirited population stunned by the German invasion of their neutral country For this paperback edition Stokker has added a new preface offering a comparative view of resistance through humor in neighboring Denmark *The School that Escaped the Nazis* Deborah Cadbury,2022-07-12 The extraordinary true story of a courageous school principal who saw the dangers of Nazi Germany and took drastic steps to save those in harm s way In 1933 the same year Hitler came to power schoolteacher Anna Essinger saved her small progressive school from Nazi Germany Anna had read Mein Kampf and knew the terrible danger that Hitler s hate fueled ideologies posed to her pupils so she hatched a courageous and daring plan to smuggle her school to the safety of England As the school she established in Kent England flourished despite the many challenges it faced the news from her home country continued to darken Anna watched as Europe slid toward war with devastating consequences for the Jewish children left behind In time Anna would take in orphans who had given up all hope the survivors of unimaginable horrors Anna s school offered these scarred children the love and security they needed to rebuild their lives Featuring moving firsthand testimony from surviving pupils and drawing from letters diaries and present day interviews *The School that Escaped the Nazis* is a dramatic human tale that offers a unique perspective on Nazi persecution and the Holocaust It is also the story of one woman s refusal to allow her belief in a better world to be overtaken by hatred and violence **THOSE DAMNED NAZIS** Dead Writers Club,Ian Tinny,Jon Robins,2020-07-08 *Those Damned Nazis* was written by Joseph Goebbels in 1929 Goebbels was the Minister of Propaganda under Adolf Hitler from 1933 1945 There are many different media descriptions of Nazism and Fascism in critiques of Goebbels and Hitler But what did Goebbels actually say when he talked To

find out come inside his mouth See what he said This book examines the actual words of the men who came close to destroying the planet If we are to discover the minds of Goebbels and Hitler we must penetrate behind the thick curtains of superficial evidence which conceal them and the unreliable media intermediaries who have distorted their speeches and writings For example Those Damned Nazis is not the actual name of Goebbels infamous publication The title was Die verfluchten Hakenkreuzler or Those Damned Hakenkreuzlers Goebbels did not use the word Nazi in the title nor anywhere within the pamphlet The revelations in this paragraph were uncovered in the historian Dr Rex Curry s work Those Damned Nazis is a misleading translation The entire text of Those Damned Nazis is provided It is also analyzed This book is a useful study guide to Hitler s Mein Kampf whereby what had been a vague plan suddenly was reality almost to the disbelief of Goebbels and other supporters Goebbels supported public schools so that his deadly dogma could be spread throughout Germany s educational system This book is a startling expose of the origin of Goebbels goals This book reveals that many of Goebbels shocking ideas were borrowed from the USA Decades before Goebbels and Hitler the state governments in the USA took over education and taught schoolchildren to chant in unison and perform the Nazi salute each day within schools that imposed segregation by law and taught racism as official policy The USA s flag pledge was the origin of Germany s infamous stiff armed salute and other brainwashing behavior that was borrowed decades later in Germany and in other countries worldwide Anyone who rejected the ritual in the public schools was persecuted *The Nazi's Wife* Peter Watson,2017-11-28 Stolen gold and forbidden love intertwine in this riveting novel set during the last days of the Third Reich by a superb writer and a masterful storyteller Houston Chronicle Walter Wolff an officer in the US Army s art recovery unit has been assigned to track down a priceless collection of gold coins stolen from a monastery in Austria General Eisenhower believes the treasure could be melted down and used to finance the escape plans of high ranking Nazi officials including Adolf Hitler s private secretary Martin Bormann So Wolff sets out in pursuit of Bormann s right hand man Rudolf von Zell the last person known to possess the coins His only lead is von Zell s beautiful enigmatic wife Konstanze But as Wolff works to win Konstanze s trust he finds himself falling in love with her As their relationship intensifies so too does the pressure to fulfill his mission only at what cost Inspired by real events involving one of the Monuments Men *The Nazi s Wife* is an outstanding story featuring exceptionally good writing The Daily Telegraph **We Had to Be Brave: Escaping the Nazis on the Kindertransport (Scholastic Focus)** Deborah Hopkinson,2020-02-04 Sibert Honor author Deborah Hopkinson illuminates the true stories of Jewish children who fled Nazi Germany risking everything to escape to safety on the Kindertransport An NCTE Orbis Pictus recommended book and a Sydney Taylor Book Award Notable Title Scholastic Focus is the premier home of thoroughly researched beautifully written and thoughtfully designed works of narrative nonfiction aimed at middle grade and young adult readers These books help readers learn about the world in which they live and develop their critical thinking skills so that they may become dynamic citizens who are able to analyze and understand our past participate in essential discussions

about our present and work to grow and build our future Ruth David was growing up in a small village in Germany when Adolf Hitler rose to power in the 1930s Under the Nazi Party Jewish families like Ruth s experienced rising anti Semitic restrictions and attacks Just going to school became dangerous By November 1938 anti Semitism erupted into Kristallnacht the Night of Broken Glass and unleashed a wave of violence and forced arrests Days later desperate volunteers sprang into action to organize the Kindertransport a rescue effort to bring Jewish children to England Young people like Ruth David had to say good bye to their families unsure if they d ever be reunited Miles from home the Kindertransport refugees entered unrecognizable lives where food clothes and for many of them language and religion were startlingly new Meanwhile the onset of war and the Holocaust visited unimaginable horrors on loved ones left behind Somehow these rescued children had to learn to look forward to hope Through the moving and often heart wrenching personal accounts of Kindertransport survivors critically acclaimed and award winning author Deborah Hopkinson paints the timely and devastating story of how the rise of Hitler and the Nazis tore apart the lives of so many families and what they were forced to give up in order to save these children
