The One True Christmas Tree The Forgotten Story:

The One True Christmas Tree James Cochrane,2014-12-10 Terry the Woodsman came upon a strange group of people that were having a problem with their trees Terry being very good with the care of trees helped them out They were so grateful they asked Terry to stay on to help manage their trees He agreed But then trouble began when people from the surrounding area came and started chopping down trees for Christmas time Terry had to find a way to stop them The means to which he found had unintended consequences that he decided he needed to find another way It was going to be difficult and it seemed like an impossible task His discovery led him to understand the One True Christmas Tree and how it could be the answer to his problem but it too had an unintended consequence and he would have to figure out if he could live with that

Beginning-volume 1 Baicu Sorin Robert,2019-01-24 This mystical novel is unique not only because the author combines prose with poetry in a harmonious way but slowly guides you from a mystical childhood to the primordial precepts of universal evolution I could say that nothing is possible without love and understanding this novel doesn t skip over this issue The unusual love shared between the Fairy Crissy and the mortal Robby is a great bond which gives a certain charm to the subsequent events The intrigue is highlighted by the fight between Good and Evil The heat of the love is the ending At the beginning is the journey on the long corridor pressed by darkness it was cold Yes cold So she was starting to feel You don t even know if you should be joyful for his unsuspected chance or to cry out of pity for the heroine for the loss of her immortality
