**The Disappeared - The Cleveland Kidnappings and Other Shocking Cases** Al Cimino, 2014-05-08 When the news broke in May 2013 that three women had been held captive for over ten years in Cleveland Ohio the world was stunned Not only had the women been imprisoned in an ordinary house a few blocks from where they had disappeared but their captor Ariel Castro had never been a suspect in their kidnapping The revelation sent shockwaves through the community and sparked widespread fear among the inhabitants of seemingly normal neighbourhoods everywhere This is not a standalone case In 2008 42 year old Elisabeth Fritzl emerged from the cellar of her family home in Austria having been imprisoned and raped by her father for 24 years In the UK the British Fritzl held his two daughters captive for 28 years moving frequently enough not to raise suspicion and fathered seven children by them In this gripping book Al Cimino explores the appalling truth behind these and several more cases of the disappeared delving into the depths of human depravity that enabled such cruel acts and shining a light on the courage fortitude and tenacity of the survivors This is a tribute to those victims and a testament to the strength of human spirit as well as a forensic study of a particularly heinous crime
