Writing as Punishment in Schools, Courts, and Everyday Life Spencer Schaffner, 2019-06-11 A probing and prescient consideration of writing as an instrument of punishment Writing tends to be characterized as a positive aspect of literacy that helps us to express our thoughts to foster interpersonal communication and to archive ideas However there is a vast array of evidence that emphasizes the counterbelief that writing has the power to punish shame humiliate control dehumanize fetishize and transform those who are subjected to it In *Writing as Punishment in Schools Courts and Everyday Life* Spencer Schaffner looks at many instances of writing as punishment including forced tattooing drunk shaming court ordered letters of apology and social media shaming with the aim of bringing understanding and recognition to the coupling of literacy and subjection Writing as Punishment in Schools Courts and Everyday Life is a fascinating inquiry into how sinister writing can truly be and directly questions the educational ideal that powerful writing is invariably a public good While Schaffner does look at the darker side of writing he neither vilifies nor supports the practice of writing as punishment Rather he investigates the question with humanistic inquiry and focuses on what can be learned from understanding the many strange ways that writing as punishment is used to accomplish fundamental objectives in everyday life Through five succinct case studies we meet teachers judges parents sex traffickers and drunken partiers who have turned to writing because of its presumed power over writers and readers Schaffner provides careful analysis of familiar punishments such as schoolchildren copying lines and more bizarre public rituals that result in ink covered bodies and individuals forced to hold signs in public Schaffner argues that writing based punishment should not be dismissed as benign or condemned as a misguided perversion of writing but instead should be understood as an instrument capable of furthering both the aims of justice and degradation

On That Day V. M. Jenkins, 2022-08-01 From public school to homeschool here s

Haven Haven Jennings is the center of this lighthearted sometimes laugh out loud comedy She is quick witted somewhat humorous and a little bit worldly as she spent a good majority of her growing up years in the dark side of education as her homeschool friends would laughingly describe the public school system Haven attends an early morning Bible study with her mother and gifted brother Delbert While Delbert is in the study to become biblically knowledgeable Haven is in it for the social aspects And what a social time she has as the Bible study is made up of supremely unique and awkward characters that are perfecting their craft in the art of socializing with other teens One teen in particular named Aaron is new to the study Haven happens to notice that not only is he nice looking but he knows Haven s favorite TV family the Duggars of which Haven happens to be a fan of epic proportions Because Haven wants so badly to know about these people she believes that she can conjure up a friendship that is perfectly within appropriate boundaries with Aaron as she finds out in the meantime that Aaron happens to be in a courtship with a girl back in his home town Things become sticky when Haven who has other guy friends within the Bible study finds it difficult to have a friendship with Aaron Something just isn t right about their relationship In the end Haven learns that blessing follows obedience and obedience while not always the easiest or plainest choice to make definitely reaps its own rewards Haven is hoping for the reward of meeting the famous family and just maybe she will as the Lord only knows what is planned to happen On That Day
