The Only Diet That Always Works:

The Only Diet There Is Sondra Ray,1987-11-01 Here is a book to change your life It is a method for losing weight through positive thinking and the changing of attitudes toward life and food This of course is no ordinary diet book This is an extraordinary approach to weight loss a diet of forgiveness a fast from negative thought and if followed one can achieve bodily perfection The theory is simple Though we might think it is our negative eating habits that have kept us unattractive and unhealthy it is really our negative thoughts and feelings It is the latter we must change for that is what is aging and killing us If we do we drop our fat as well for the same mechanism that holds on to negative thoughts and feelings holds on to fat from the Preface

The Only Diet That Always Works Nathaniel Blix,2011-07-11 Although the shelves of bookshops groan with diet books this one is called mysteriously The Only Diet The excuse that Nathaniel Blix gives for claiming this name is that really there is only one diet While other diet books dress up this basic regime in huge variety of ways what they all aim for or should aim for is the same thing and that s a healthy diet that s right for you This entertaining little book strips such fancy programmes down to their bare essentials to reveal the basic diet beneath Blix has removed all the prescriptive stuff about what you should eat for lunch and how many baked beans you can have for your dinner A diet has to work for you he says not for some non existent average citizen The Only Diet is surely the most down to earth diet book on Earth It doesn't contain any recipes and it uses only one technical term Drawing from his own experience he confesses to being a serial dieter Blix knows how difficult it is to lose weight In this book he makes it easier for everyone to understand how their bodies work and the principles of weight loss Armed with this knowledge and the zeal that Blix inspires readers of The Only Diet are well placed to achieve weight loss and healthy living success
