McClurg & Co, 1903 **Journal of the United States Artillery**, 1944 **STORIES OF TOO INTENSE SEX (2)** VANTIA DURANGO, 2025-10-14 This is the second volume of the VANTIA series HER BEST SEX STORIES by the successful writer VANTIA DURANGO. In these lines, the writer takes us directly into a world of desire, fantasy, and pleasure in which she conveys all the passion, pleasure, and fantasy of the most intense sexual relationships between men, women, couples, threesomes, and orgies. Regardless of whether you're a woman or a man, your age, whether you're gay, lesbian, or straight, your physique, or your skin color, all of these books are written for you, as you'll identify with one of the characters. Each one will make you enjoy reading them like never before. Your excitement will grow, and you will let yourself be loved by others, loving others; you will enjoy others, and others will give you pleasure because you are the one who will enjoy and delight like never before. All the most intense sensuality and sexuality is present in every line, every word, every paragraph, every page, every story. Stories you can read alone with a partner or in a group. If you close your eyes while reading, you will be the woman or man who makes love passionately and intensely, never failing to have orgasms; you will be the man or woman who is penetrated by another person; you will be the woman who has an intense sexual relationship with another woman; you will be the man who lets another man make love to him, feeling someone's hands and tongues lick and caress your entire body. You'll be the protagonist of these stories. You'll fall in love, cheat on your partner, have threesomes, have group sex, participate in orgies, and intensely enjoy your own fantasies with that man or woman who is your neighbor, your friend, or your acquaintance, making love to them or letting them make love to you. All the stories are real and are written so you can relax and enjoy them until you reach orgasm, whether you read them alone with a partner or in a group. They will thrill you, and you'll enjoy them like never before. Love Stories Paul Manning, 2015-05-15 In the remote highlands of the country of Georgia, a small group of mountaineers called the Khevsurs used to express sexuality and romance in ways that appear to be highly paradoxical. On the one hand, their practices were romantic but could never lead to marriage. On the other hand, they were sexual but didn't correspond to what North Americans or most Georgians would have called sex. These practices were well documented by early ethnographers before they disappeared completely by the midtwentieth century and have become a Georgian obsession. In this fascinating book, Manning recreates the story of how these private, secretive practices became a matter of national interest, concern, and fantasy. Looking at personal expressions of love and the circulation of these narratives at the broader public level of the modern nation, *Love Stories* offers an ethnography of language and desire that doubles as an introduction to key linguistic genres and to the interplay of language and culture. *VANTIA, HER BEST SEX*
