The Mills Pattern 1944 Web Equipment Terence Evans, 2017-09-23 There have been many modern advances in the past 100 years in weapons and armoured transport although this has had a great affect on the time taken to get the soldier into action and the effectiveness of his weapons on his target when he reaches it The burden he has to carry once he has to leave his ARV or helicopter has hardly changed At around 70lbs the weight of a suit of armour This book looks at the 1944 Pattern Web Equipment that helped the soldier carry his load from the closing days of World War 2 and on into the 1980 s This is part of a series that will also include 1908 and 1937 pattern equipment using period War Office handbooks and photos of equipment from my own collection *The Mills Pattern 1908 Webbing Equipment* Terence J Evans, 2022-07-06 Black White Edition There have been many modern advances in the past 100 years in weapons and armoured transport although this has had a great effect on the time taken to get the soldier into action and the effectiveness of his weapons on his target when he reaches it The burden he has to carry once he has to leave his ARV or helicopter has hardly changed At around 70lbs the weight of a suit of armour This book looks at the 1944 Pattern Web Equipment that helped the soldier carry his load from the closing days of World War 2 and on into the 1980 s This is part of a series that will also include 1908 and 1937 pattern equipment using period War Office handbooks and photos of equipment from my own collection *The British Army in the Far East 1941-45* Alan Jeffreys, 2013-02-20 Between December 1941 and May 1942 the British Empire suffered a series of humiliating defeats in the Far East Three years later the Japanese were defeated by British and Commonwealth forces at Kohima and Imphal and in the battles for Burma This transformation in the fortunes was in large part due to the development of jungle warfare doctrine and the resulting improvements in training tactics and equipment This book examines British Army conventional forces that fought in the Far East showing how the dissemination of doctrine improved training and helped 14th Army s infantry divisions secure victory **Churchill's Army** Stephen Bull, 2016-09-22 Winston Churchill Britain s iconic war time Prime Minister is inextricably linked with the victorious British Army of 1939 to 1945 Yet hindsight propaganda and the imperative of the defeat of Hitler and Imperial Japan have led to a tendency to oversimplify the image of Churchill the war leader and his Army For whilst Churchill was undeniably a towering statesman his relations with both the Army and War Office were ambiguous and altered considerably not only with the progress of the Second World War but over decades In this comprehensive book Stephen Bull examines every aspect of the British Army during the Second World War and considers in detail the strengths and weaknesses of an organisation that was tested to its limits on many fronts but made an immense contribution to the successful Allied outcome The book explores the structure of military power from the men who ran it the Generals to the detail of the regiments they commanded It looks at the uniforms the soldiers wore and the badges and insignia they bore on their uniforms The weaponry Churchill s army used is discussed in detail from small arms including rifles bayonets grenades carbines and machine guns to the massed firepower of the artillery along with

the increasing sophistication of tanks and other military vehicles during the period Finally the role of auxiliary and special forces and their contribution to the campaign is considered The comprehensive text is enhanced by more than 200 contemporary photographs **The New Zealand Expeditionary Force in World War II** Wayne Stack,Barry O'Sullivan,2013-03-20 In 1939 more than 140 000 New Zealanders enlisted to fight overseas during World War II Of these 104 000 served in the Second New Zealand Expeditionary Force Initially thrown into the doomed campaign to halt the German blitzkrieg on Greece and Crete 1941 the division was rebuilt under the leadership of MajGen Sir Bernard Freyberg and became the elite corps within Montgomery s Eighth Army in the desert After playing a vital role in the victory at El Alamein 1942 the Kiwis were the vanguard of the pursuit to Tunisia In 1943 45 the division was heavily engaged in the Italian mountains especially at Cassino 1944 it ended the war in Trieste Meanwhile a smaller NZ force supported US forces against the Japanese in the Solomons and New Guinea 1942 44 Fully illustrated with specially commissioned colour plates this is the story of the Second New Zealand Expeditionary Force s vital contribution to Allied victory in World War II
